A. Welcome

B. Approval of Minutes: October 20, 2014 Meeting

C. New Charge discussion- Merger of Facilities and Sustainability

D. College Council Representative

E. Construction Update- Ann Kroll

-2013-14 Small Projects update

F. Accreditation Update - "Functional Map" Katie Eagan

G. $1million for Flow Battery from the California Energy Commission

If this grant is approved it would provide for a large 1MwHr flow battery that would benefit the College. It would capture and store for later use electricity that is currently delivered to the grid without compensation from PG&E. The costs would be borne by the grant and by the District energy budget.
