Las Positas College

Why Intercollegiate Water Polo?

- **Increasing LPC full-time student enrollment**
  - Las Positas College can attract new full time student athletes by adding Men's and Women's Water Polo programs.
  - These two programs combined will attract a minimum of 30 FTES per semester.

Local and Contiguous Schools

Student Success

- (Academic Senate, California Community Colleges, 2011, Resolution 09.09)
- The State Academic Senate conducted pilot research that indicated student athletes have:
  - Higher GPAs
  - better persistence
  - greater course success rates
  - greater unit completion rates
  - and carry heavier unit loads than the general student body population
- Eligibility to compete

- Salary
- Athletic Department Funds
- Equipment/Uniforms
- Game Officials
- Travel

Annual Costs
