VI. Advisors notes:
Ms. Ross first informed the senate that the Chabot college history department would like for the ASLPC to sponsor the event. Furthermore, she asked for volunteers to conduct a campus tour, Tuesday at 4 PM along with Wednesday April 25th at noon. Continuing on, Ms. Ross explained the new proposed priority registration levels, which are as follows:
  - Priority 1: 60+ units and matriculation
  - Priority 2: 30-59.9 units and matriculation
  - Priority 3: 3-29.9 units and matriculation
  - Priority 4, 5, 6

Point of clarification: Matriculation consists of three things, taking part in an assessment, setting up a student education plan (SEP) and meeting with a school counselor.

Ms. Ross concluded her report by letting the senate know that last minute facilities requests will no longer be tolerated nor accepted and finally, she announced that the ASLPC scholarships are not available to those who have any interaction with the ASLPC.
