VI. Advisors notes:
Ms. Ross first acknowledged Mr. Noor and Mr. Portugal for both their continuous dedication to campus tours. Next, she reiterated what was sent out earlier in the week about the continuous budget cuts, that it is expected that 5% more of class sections will be reduced. Furthermore, Ms. Ross asked for volunteers to sit down and have a discussion with Ms. Kimberly Lacy on March 29. Continuing on, Ms. Ross asked for a show of hands of who in the senate will be going to March in March. Next, she asked for people to consider volunteering to sit on a student panel to discuss ones journey thus far at LPC. She concluded her report by saying people need to be going to their committees and that there is more information needed about the website before we can continue on with it.

VII. Guest Speakers:
A. Christina Lee- Counseling Department
Ms. Lee was at the meeting asking for volunteers for this year’s MEGA day, which is to take place on May 12. Ms. Ross stated she would offer extra credit for those who work the event. Finally, Ms. Lee stated that for those who would like, that she would look into their priority number to work on their registration date by ensuring members have completed all the necessary steps.

B. Sean Prather- Campus Safety
Mr. Prather was at the meeting to address some senate concerns in regards to the sexual assault cases from October.
1. Issue: Distribution and Posting of flyers was not as active as it should have been. Solution: Mr. Prather has accepted the offer from the ASLPC to help distribute flyers to the campus community.
2. Issue: Zonemail system - delayed announcements to students about the assault. Solution: They are currently working on creating the option for Mr. Prather to send out one mass email to all the Zonemail accounts.
3. Alert-U messaging system - no changes made, it is software they pay to use have no say in the way it works.
4. Issue: Teachers made aware of assault right away and did not inform students. Solution: Currently in the process of working on a way to encourage teachers to make these announcements. We cannot force them to do anything they do not want to do.

- Ms. Bogue moved to extend time by 5 minutes
- Ms. Rodgess seconded
- Motion passed unanimously

Mr. Prather was also at the meeting to ask for support from the ASLPC in forming an opinion about the possibility of increasing the parking permit fees. Currently, Governor Brown has given colleges the right to charge up to $50.00 for semester long permits. The district would like to charge $40.00 for semester long and $4.00 daily which is a definite increase from the current
$30.00 for the semester and $2.00 for the daily. Mr. Prather has suggested it to be $35.00 and $3.00 with gradual increases over the next year.

- Ms. Bogue moved to extend time by 5 minutes
- Ms. Suarez seconded
- Motion passed unanimously
