H. Committee Reports
   - Mr. Ansari attended the accreditation committee meeting. These meetings are
     held to see if their college meets a number of standards to be considered
     accredited. He is assigned to the library and said that students have complained
     that it doesn't have enough space for all students and it doesn't stay open long
     enough.
   - Mr. Ivanov attended the Institutional effectiveness committee. Everything is
     going well except for the private staff.
Ms. Soliz attended the accreditation committee meeting. She is assigned to institutional programs. They are dealing with some obstacles and are looking for some more improvement program plans.

Mr. Rowland attended the academic senate where they discussed what requirements people need to have in order to be hired in the school. He also helped with the 9/11 memorial.

I. ASLPC Advisor
Mr. Miner stated that Mr. Ansari and Mr. Bolin presented on what’s happening in senate during the Board of Trustees meeting. Ms. Soliz, Mr. Ansari, and Mr. Rowland helped host campus tours. Mr. Miner will need someone on November 10th to host a campus tour. He acknowledged Ms. Salgado for all her work setting up Constitution Day. He also helped with the Lazy Dog restaurant. People from events helped get Tim Sibranti to set up his table. There are 29 different committees people need to attend to, so if anyone is interested in doing more than one let Scott know. The institutional planning committee (IPC) is trying to plan forward and there are 2 student rep. openings for that on Monday from 2:30-4:30 pm.

J. Student Trustee
Mr. Bolin wrote a written report. Dr. Russell showed a college advertisement with Ignacio that they would be hanging up in the District office. A couple speeches were made by faculty and staff regarding the new budget update for 2014-2015. In short, the state funding adds to $121 million in addition to the areas that the school makes profit.

VI. Guest Speakers
Ms. Trummel spoke about tutoring training classes at 2401. If they received a donation, they'd give thanks and will go back into hiring mode. They have a crisis of rapid growth. They gave 789 hours of tutoring their first year. Last year, they had 63 tutors and 9,025 hours of tutoring. The only ones working are her and her assistant. They are hoping to have a person who could work at the desk and someone do the work they do to keep services running. It would be where you can choose a tutor online and be set up with one automatically. There are currently 489 requests for tutoring and they need more tutors willing to do it as a job or volunteer work. To work at the front desk, they need someone who's friendly, relates well to others and knows how to work with computers. The preferred amount they are requesting will be discussed next Friday.

VII. Public Forum
- NONE

VIII. Old Business

A. Window Decal
- Mr. Singh and Mr. Perez talked with Sean. For installing and printing 2 decals – one on the front door and one on the side door – it will cost $80.
The logo that will be shown is from the back of the “How do you like my student body?” shirts and it will say advocate, represent, change, and lead.

Mr. Singh moved to approve an up-to-amount of $100.

Mr. Nguyen seconded.

Motion passed unanimously.

Ms. Landicho will talk to the Facilities committee to approve this plan.

B. Constitution Day Debrief

Ms. Salgado said Constitution day went moderately well and thanked those who were there and helped support the event. They passed out the tri-fold brochures, which included U.S. History leading up to the Constitution and the importance of it with a word search on the back. She thanked Mr. Ivanov, Mr. Byrne, and Mr. Elgarguri whom she sent Leg. assignments to on prop measures.

Some suggestions included starting marketing earlier, food alternatives in place of cake, different cake flavors, a variety of food options, hand-held food for on-the-go and having a cooler for drinks or popsicles.

C. Follow Ups

Ms. Jariwala reported on Sports Day. She talked with Ms. Soliz and Mr. Miner and will put sports out on field as an option for anybody who wants to play.

Mr. Rowland is working on a resolution that will be done before the next meeting.

Mr. Perez said that the “Yes means Yes” resolution did not get any feedback and suggested creating an incentive for students to do surveys in the future.

Mr. Miner announced to make sure to let Ms. Salgado or Mr. Ansari know if you can make it to the end of October / beginning of November retreat so we can maximize who can go. He got access to the restaurant to supply us. If you're driving, let them know. Mr. Nguyen and Mr. Aguilar will not be able to attend.

B. A-Frames

Ms. Sahota moved to approve an up-to-amount of $200.

Mr. Perez seconded.

Motion passed unanimously.

Ms. Sahota discussed having A-frames for the cafeteria, which would have information on student events.

Some suggestions are that we don't have to put them on all the tables and it’s good since wind blows. People can read this when they’re relaxing and not usually doing anything.
Ms. Sahota moved to extend time by 10 minutes.
Mr. Byrne seconded.
Motion passed with 1 opposed.

C. AS Night
Ms. Huestis made a blanco plan for AS Night / Rave Night. It will be held on October 16th from 6 to 9 pm in the Blackbox Theatre. They need a DJ, some fog machines, lights, ads, and clubs to provide food.
Mr. Singh argued that if we do it on the 10th, a week will not be enough to give the clubs to prepare so we should put this on the agenda for next week.
Ms. Sahota was concerned as to whether clubs should sell food or if we should give out free food. Since it’s the next week after club day, she said we’ll be okay for marketing.
Ms. Jariwala said that from past experience, no one's going to buy food if we have free food and that people don't usually bring money other than for admission; instead we could sell something besides food for clubs.
Ms. Reynoso said that clubs should come to the masquerade. This event is for the night students as a way to give back to them, and added that if it’s in the Blackbox theatre, we have to advertise it. This event is also strictly for Las Po students.
Ms. Garcia suggested enforcing a Halloween theme with costumes and free candy and an incentive like a dance competition or costume competition.
Mr. Perez said that since students don't want to spend money, he doesn’t see them buying many things. College students would have to go off campus to buy food. He added that we could make it a dance contest between clubs.
Mr. Nguyen suggested charging guests a certain amount of money.
Ms. Huestis said that she’d need to talk to Ms. Plascencia.
Ms. Reynoso called the question.
Mr. Elgarguri moved the previous question.
Ms. Sahota seconded.
Motion passed with 1 opposed.

D. Sweatshirts
Mr. Singh and Mr. Perez presented the options for the sweatshirts and recommended the Nike Golf jackets. They won’t fade and it costs $80 per jacket. The other options included Hanes hooded sweatshirts which costs $30 per sweatshirt and Gildan hooded sweatshirts which costs $20 per sweatshirt. These sweatshirts are optional to buy. Many suggestions were taken.
Mr. Singh asked for a census vote:
