## EXCUSED WITHDRAWAL PETITION

This form is to be used in the event that a student wishes to drop one or more courses on the grounds of an extenuating circumstance that prohibited them from dropping these courses or continuing attendance. Extenuating circumstances are verified cases of accidents, illness, other circumstances beyond the control of the student, and other conditions, defined by the local governing board and published in college regulations. Examples of extenuating circumstances may be found at the bottom of this petition. If the petition is approved, an indication of "EW" shall be applied to all approved courses as a grade. **Supporting documentation must be included with this petition to verify the extenuating circumstance. Petitions without supporting documentation will be denied.** A letter of explanation may be included with this petition but will not be considered as supporting documentation.

**NOTE: In accordance to Title 5, Section 55024 (e), an EW symbol may be requested by the student at any time during the semester and no later than the date when the district/college policy allows a grade change.**

**INSTRUCTIONS:**

- (1) Complete this petition.
- (2) Attach all relevant supporting documentation (must be in PDF format if submitting via email).
- (3) Submit to the Admissions & Records Office. You will be notified via your college Zonemail account in approximately 10-14 business days.
