#### COVID-19 Response:

Chabot-Las Positas Community College District has a vaccine mandate for all students attending face-to-face classes for Summer and Fall 2022.

- If you previously uploaded proof of vaccination to Cleared4, you do not need to do so again.
- If you have not previously uploaded to Cleared4 and are a NEW student and wish to register for face-to-face classes, you will receive an email from Cleared4 prior to your registration appointment with directions on how to upload your vaccine verification.
- If you are currently registered for Spring 2022, please click on the "Cleared4 - COVID-19 Proof of Vaccination" link on CLASS-Web to access your personalized upload link.
- You will not be able to register for a face-to-face class until your vaccine information has been uploaded to Cleared4 and verified.

Please be sure to check your spam folder on a regular basis so you don't miss any email from Cleared4. We look forward to seeing you on campus.

10. Select “Las Positas College” as your campus
11. Select “LPC Math Guided Self-Placement”
12. Select “Submit” to continue

## Las Positas College Math Guided Self-Placement

Assessment for placement is one of the critical steps to help students start on a successful pathway in college. It is critical that you understand your placement options and your rights to access transfer level coursework. Research shows that a high school grade point average is the strongest predictor of performance in college-level coursework. With the newly enacted Assembly Bill (AB) 705, students will receive a placement using high school records and multiple measures.

The Math Guided Self-Placement will utilize high school completion and GPA for first level transfer placement.

The Math Multiple Measures Placement will utilize AP scores and/or previous college coursework for second level transfer placement.

You may explore both options to discover your optimum placement level.

Select Campus:

Select Guided Self Placement or Multiple Measures:

13. To complete your Math guided self-placement, please answer the following questions to determine your placement recommendation.

## Las Positas College Math Guided Self-Placement

Please answer the following questions to determine your Math guided self-placement recommendation.

**\* Required field.**

\* Which option best describes your education background by the term you begin classes at Las Positas College?

Select one

\* Enter your unweighted High School GPA:

Select one

\* Please select the highest level of math you have completed with a passing grade (e.g., A, B, or C).

Select one

\* Please select the grade you received in your highest level math course

Select one

14. Once you have finished answering all of the questions, you will receive your placement! You will be now be able to register for your course.

## Las Positas College Math Guided Self-Placement

**Congratulations! You have placed into Math 1 (Calculus 1).** If you have coursework from another college or a passing score on the AP Calculus AB/BC Exam or IB Mathematics HL Exam that can place you higher than Math 1, please bring verification to a counselor for higher placement and/or course credit. A score of 3 or higher on the AP Statistics exam also qualifies for course credit at Las Positas.

For Math 1 (Calculus 1), a support course is optional. Data show students who take a support course are *significantly more likely* to be successful in their math class.

### Optional support courses

- NMAT 265: [Math Jam](#) (held the week prior to the start of the semester)
- Math 101C: [Concurrent support \(credit\)](#)
- NMAT 201C: [Concurrent support \(noncredit\)](#)

Non-calculus based math courses are also available in order to meet your math requirement for degree or transfer. You may take any of the following SLAM (Statistics & Liberal Arts) or BSTEM (Business & STEM) math courses.

### SLAM courses

- [Math 47: Math for Liberal Arts,](#)
- [Math 40: Elementary Statistics](#)
- [Math 27: Number Systems for Educators](#)
- [Math 33: Finite Mathematics](#)

### BSTEM courses

- [Math 30: College Algebra](#)
- [Math 34: Calculus for Business & Social Sciences](#)
- [Math 39: Trigonometry](#)

EXIT above to close this application.

15. Your CLASS-Web status will be updated the following day after you complete a placement. Please note that you will only receive one (1) check mark even if you complete all three (3) placements.
