

How to Read the Class Schedule for Distance Education

Many of our classes are a mixture of virtual content and instruction that happens at planned times via [ConferZoom](#), an online meeting platform. A few courses have a component that will meet on campus. To plan accordingly, you are encouraged to read the “Section Text” found on the online class schedule within CLASS-Web. See instructions below.

Access your class information:

1. Visit the [Las Positas College](#) website
2. Go to [CLASS-Web](#)
3. Select Term – “Fall 2020”
4. Search “Subject” and “Campus” to find your class
5. Once you have found your class, please read the notes found under “Section Text”

Look-Up Class Fall 2020

Spring 2020 Registration Begins November 12th by Priority Group and Number

Please be sure to check the WL (waitlist) and XL (crosslist) columns. If the waitlist or the crosslist is full, you will not be able to register for the class.

Early Care and Education																							
Status	Crn	Subj	Crse	Sec	College	Cred	Title	Day(s)	Time	Cap	Act	Rem	WL Cap	WL Act	WL Rem	XL Cap	XL Act	XL Rem	Instructor	Date	Location	Textbooks	Section Text
Waitlist	22429	ECE	50	DE1	Las Positas	3.00	Early Childhood Principles		TBA	44	44	0	20	2	18				PETERSON, TRACI	08/17-12/18	LTBA ONLINE	View textbooks	ECE 50-DE1 is an online course. For more information, see the section titled "Online Learning" in this schedule, or go to http://www.laspositascollege.edu/onlinelearning

A couple of important terms to note:

Synchronous instruction. Some instructors are choosing to meet live online as a full class at the time the course was originally scheduled. Or, they may choose to meet online one of the days the course was scheduled and will have the remainder of the work for you to do online during your own time (see asynchronous description below). Here’s how that might look in CLASS-Web:

Business Law	M	9:30a-11:20a	44	44	0	20	0	20											COLEMAN, TRACEY	08/17-12/18	LTBA ONLINE	View textbooks	<div style="border: 1px solid black; padding: 2px; display: inline-block;"><i>Section Text</i></div> Class will meet live (synchronously) online via ConferZoom at the time listed. Other content will be delivered online through Canvas (asynchronously).
--------------	---	--------------	----	----	---	----	---	----	--	--	--	--	--	--	--	--	--	--	-----------------	-------------	-------------	--------------------------------	--

Time course meets online

Asynchronous Instruction. Many virtual courses will not require students to attend live sessions. Students have the flexibility to move through the weekly course content by the established deadlines in the syllabus. These sections will not have times and days listed.

Hybrid instruction. A few courses still have a component that will be taught on our campus following physical distancing and Alameda Public Health & Safety Guidelines. Sections notes for these classes should be read carefully for all the instructions. Here's how that might look in the schedule:

General Zoology	MW	11:30a-12:45p	24	24	0	20	4	16			JUDD, JEFFREY	08/17-12/18	L1850 1874	View textbooks	<i>This is a hybrid class. Class will meet live (synchronously) online via ConferZoom for the 1st lecture of the week, Monday 11:30am-12:30pm, and for the first lab of the week, Tuesday 10:30am-1:20pm, except during the 3 weeks that in-person labs are scheduled. The week of September 7, October 20th, November 3rd, students will be assigned to one in-person lecture and lab per week, to maintain social distancing. Other online content will be delivered online through Canvas (asynchronously).</i>
-----------------	----	---------------	----	----	---	----	---	----	--	--	---------------	-------------	------------	--------------------------------	--

Detailed instructions about meeting time online as well as in-person lab time.

If you registered for a section meeting in-person, important safety guidelines will be sent before instruction begins.

You are encouraged to contact your instructor if you have any questions. Instructor contact information may be found on the college's [Faculty & Staff Directory](#), along with contact information for many other individuals at Las Positas College who are available to help you as needed.

Be prepared for online learning. Before you start your online class, you may wish to visit this helpful resource titled, [Preparing for Online Learning](#).

Count on us for support! During the fall, many of our academic and student support services are available online. To learn more visit, [Academic & Student Support Services](#).
