Welcome to Summer!

Las Positas College Community Education

We are proud to partner with faculty and staff from the college to offer a great range of Summer camps for kids as young as 5 and adults, including seniors!

Camps for teens are designed to encourage career exploration. Are you interested in being an EMT? What about Sports Medicine practitioner? Thinking about getting into coding and ethical hacking? Maybe you would consider a career in biotechnology? Digital Arts? We have a career exploration camp for you!

And due to popular demand, FENCING CAMP with Sophie Rheinheimer is back! Sophie is taking on new students and we are excited to bring this opportunity to you...she’s an extraordinary instructor, and she’s had multiple students competing at all levels of fencing, even nationally.

We invite you to enroll and spend your Summer learning with Las Positas College Community Education!

“What we learn with pleasure, we never forget.”
— Alfred Mercier

In Learning,
Frances DeNisco
Program Coordinator

No college credit is offered. Classes do not require admission to the college, and do not involve exams. There are no transcripts or grades and classes are not transferable. Minimum enrollment is required for classes to start. Community Education is a self-supporting entity of LPC and is not funded by taxpayer dollars. Community Education classes are offered in addition to the LPC instructional program. Community Education classes do not necessarily reflect the views or policies of Las Positas College. Las Positas College does not endorse any person or product.

Featured Instructor

Andrew Lozano graduated from California State University, Sacramento in 2013 with a degree in Physics. He joined Las Positas College in 2014 as a Laboratory Technician for the departments of, Physics, Engineering, and Geography. Over the years in the position as a technician he has actively been involved with the creation of the Makerspace within the department of engineering. This includes the introduction of 3D printing and Laser cutting and engraving. Andrew enjoys designing and building industrial products and accessories, and he can often be found playing guitar in his office or producing art in different media. Take his Laser Cutting workshops see pages 5 & 9.

Low Cost Summer Camps for Kids and Teens taught by Las Positas College Faculty and Staff

BioTech Boot Camp (Advanced)
Advanced Biotechnology–Food Science For students entering 10th or 11th grade in Fall 2019 with at least 1 year in a biotech lab program or any Biotech Bootcamp alumni. You must have prior experience using a micro pipette, doing PCR and loading and running gels.

Do your favorite foods containing GMOs? Is your lettuce contaminated with bacteria? Learn about genetically modified organisms, while conducting PCR and immunoassays used in actual food science labs. This advanced camp is designed for students who may have participated last year, or who participated in the first week of this year’s camp. Please bring a lunch. Leaving campus at lunch time is not encouraged.

Amy Chovnick is an instructor of Biology at Las Positas College.
10136 6/24-6/27 M-Th 9:00am - 3:00pm $100

CyberPatriots Summer Camp
Cyber camp is a 5-day technology event designed to excite students new to cybersecurity about STEM career opportunities, and teach them important cyber defense skills through hands-on instruction and activities. Through the camp, students learn how to protect their personal devices and information from outside threats, as well as how to harden networks running Windows and Ubuntu operating systems. Daily sessions include instructor demonstrations, team-oriented research, hands-on lab activities, plus peer team building. Cyber camp culminates in an exciting final team competition that simulates real cybersecurity situations faced by industry professionals and mimics AFAs CyberPatriot National Youth Cyber Defense Competition. No experience necessary. Registration is open to incoming 9th to 12th graders (14 to 18 years of age) AND community college students. Upon registration, please send your T-shirt size to: commed@laspositascollege.edu
Debbie Fields is an instructor of Computer Information Systems and the Cyber Patriot coach and Liaison for Las Positas College.
10137 6/17-6/21 M-F 9:00am - 3:00pm $100

Munchkin Fencing Camp (Ages 5 to 6)
This course, limited to 4 students, teaches small children beginning footwork that will prepare them for future fencing adventures! Enroll quickly, as the class will fill up! Rheinheimer
10204 7/6-7/18 T-Th 1:15 - 2:30pm $99
AND/OR
10205 7/23-7/25 T-Th 1:15 - 2:30pm $99

“Coach Sophie is an amazing educator and clearly cares about each of her students!”
—Fall 2018

“Coach Sophie is an amazing educator and clearly cares about each of her students!”
—Fall 2018
Digital Media Summer Camp
Is Digital Media your career? During this camp, explore several industry standard tools, including Adobe Illustrator, Photoshop, Spark, and Autodesk Maya. In 5 days you'll work both individually and in teams to develop fictional promotional campaigns centered on a product idea that you create. At the end of the camp, each student will have a portfolio that includes their product concept in 3D, packaging and a website for their chosen product. Peter Kuo is the Coordinator of the Graphic Design and Digital Media Department at Las Positas College. He is a visual designer who has worked across the industry in a variety of discipline. He is a certified technical trainer and Adobe certified Instructor in InDesign, Photoshop, Illustrator, Acrobat and Lightroom. Chris Meyer TVROP Digital Media Arts Instructor for Animation & Video Game Design

Learn to LaserCut and Engrave!
In this course, you will have access to a professional 150 watt laser-cutter/engraver and learn the software to design and build projects. No experience required. Professional and novice designers or those looking to add a skill to boost your resume are welcomed. You will learn: 1) Simple design techniques 2) Safety, operations, and maintenance of professional laser-cutting equipment 3) How to cut and engrave in different media. You will have two options: 1) Guided build projects from start to finish or 2) Go rogue with your own pre-designed project. Guided designs include: Pendent and small jewelry, engraved cutting boards, intricate lamp designs, and more. Andrew Lozano is an instructor at Las Positas College

Grammar 101: Writing Strong Sentences
Do you need help constructing sentences with proper grammar, punctuation, and sentence structure? Whether you have ever attended a college class, are a returning student, an ESL learner, or just want to brush up on your grammar skills for school, work, or fun, this class is for you! No matter your age or background, you will learn how to write more efficiently and effectively through strong sentence grammar. In just a few hours, you can learn the tools needed to become a more confident writer. Suitable class for teens and adults, anyone who wants to improve their writing life! Kathy Harris graduated from Las Positas College and has worked in the English Center as an instructional assistant for the past 14 years, instructing students on grammar, punctuation, and sentence structure.

Public Safety Boot Camp
Interested in the field of Public Safety? Come to the LPC Public Safety Camp to discover your career as either an EMT/Paramedic, Fire Fighter, or Law Enforcement Agent. Learn how to save lives, fight fires, or even implement the law correctly. During this camp, you will learn CPR, how to lay fire hoses, ladders, and more. Explore your career now at the Las Positas College Public Safety Boot Camp. Chad McMullen is the Public Safety Programs Manager at Las Positas College.

Sports Medicine Camp
If you are interested in athletic training, or any area of sport medicine, this is the camp for you. Sports Medicine and Athletic Training careers are one of the fastest growing fields in the Allied Health Care profession. According to the Bureau of Labor Statistics, athletic training is projected to grow 23 percent from 2016 to 2026. Sports Medicine clinicians specialize in the prevention, recognition and treatment of activity related injuries and illnesses. Many work in educational settings, hospitals, private clinics, corporate settings, fitness centers and professional sports teams. At the Las Positas College Sports Medicine Camp, campers will have the opportunity to learn day to day procedures of a sports medicine professional. Preventive and rehabilitative methods used in common athletic injuries, such as taping and wrapping, therapeutic modalities and emergency care are just a few of the things this camp will focus on. The hands-on LPC Sports Medicine Camp is an all-inclusive program designed to prepare students for a future in sports medicine. Anela Le Cara is the Head Athletic Trainer at Las Positas College.
Video Production Workshop
This production workshop combines Introduction to Shooting a Video, which includes camera work and lighting; Introduction to Video Editing, using Adobe Premier Pro; and the participation in a 2-day video production in collaboration with Las Positas Productions and Chabot TV. At the end of the course, we launch the videos online, cable TV, and social networks. You will receive credit as a Video Producer and you can use the video to apply for jobs and art schools. Class meets twice per week for two weeks. Come learn basic camera work, lights, audio, and participate in a real production. Cameras and computers can be provided, but you are encouraged to bring and practice on your own equipment. Course taught by Las Positas TV, in collaboration with Chabot TV.

Alejandro “Alex” Galindo has been a contributor to various Bay Area radio and TV stations for the last ten years. He is advisor to Radio Las Positas, the college radio station. Tune in here: http://www.radiolaspositas.net/

10174 6/11-6/27 T-Th 9:00am - 1:00pm $199

Natural A’s
Any student can significantly enhance grades, self-confidence, and chances for scholarships and college admissions by performing academic skills in alignment with the brain’s natural patterns. This makes note taking, reading, studying, memorizing and test taking amazingly efficient. Students will also discover simple methods for understanding math and other subjects, optimizing focus and concentration, and preventing test anxiety. Students describe this class as “awesome, necessary, and easy to understand.” Parents are encouraged to register and participate with their children. A $30 materials fee is payable to the instructor at class for comprehensive workbook. Ages 10 to 17. Adney

10156 8/11 Sun 9:00am- 12:00pm $49 Materials Fee $30

Essay Structure: Basics
Not sure if you are ready for college writing? Need a refresher? Whether you are new to college or are coming back, this class will cover essay basics and help prepare you for college writing with the guidance and support of a current college professor. A mix of instruction and workshop, this class will also give you a feel for what it is like to be in a college classroom and what you can expect from your instructors. This class is suitable for those who are in high school, transitioning to college, returning to college, or simply wanting a refresher on writing essays and papers. Please bring a pencil and notebook or paper to class. Megan Garcia is an Adjunct Faculty Member and Instructional Assistant in the English Department at Las Positas.

10145 6/10-6/26 Mon, Wed 6:00 - 8:00pm $129
10146 7/16-8/1 Tue, Thu 6:00 - 8:00pm $129

Self Defense for Women
Class is designed to empower girls and women going off to college in the Fall to prevent crime and victimization, break the myths surrounding violence against women, and develop simple, easy-to-use self-defense techniques. This class is offered in conjunction with our community partner, Tri-Valley Haven. Most of the registration fee for this class is shared with them, in support of their mission: Tri-Valley Haven creates homes safe from abuse, contributes to a more peaceful society one person, one family, one community at a time. Together, we build a world without violence. Enrollment is limited to 25. Ages 14 to adult. Staeleh

10177 8/17 Sat 10:00am - 1:00pm $25

“ The instructor was energetic throughout the entire class time and presented the material in an organized manner. She was well prepared.” —Fall 2018
More opportunities for you and your family on campus this summer!

ADULT SUMMER CAMPS

Real Estate Investing Summer Camp – Take all 3 of these classes and get a discount!

How to Buy Cash Flow Rentals Outside California
Real estate markets change—smart investors adapt. Think outside your California Box! You will learn:
• Where are the best locations to buy investment real estate. Hint: It’s not in your backyard!
• Where to buy single family home rentals for $50K and rents for $1,000 each month. Also, buy a duplex (2 units) for $60K and rents for $1,200.00 a month!
• You may be able to retire within a year with $4,500.00 monthly passive income for life with only $100K in initial cash outlay
• Buy now at the bottom of the market and watch your wealth double in value in about 7-10 years while most Americans are struggling living pay-check to paycheck.

Opportunity Zone Real Estate Investing
Real estate is the most powerful wealth building vehicle for the average person. How to buy investment real estate using the newly-created “Opportunity Zone” investing. Do you think the real estate boom of the past 10 years are over? Think again! Every decade or two, there is always a unique law or strategy which can be a game changer. Well, the opportunity is here and now. It is called the “Opportunity zone” investing. You will learn how to use your current capital gains to buy many different types of real estate to achieve potential long-term appreciation as well as to reduce or completely eliminate your capital gains in the future. Yee

Tax Secrets for Real Estate Wealth with the New Tax Laws!
Learn legitimate strategies that may REDUCE YOUR TAXES BY 50%. By the end of this seminar you will walk away learning:
• How to qualify for “Real Estate Professional” status and claim unlimited passive losses to reduce your overall tax liability
• How to buy real estate using your “self-directed IRA”
• You will walk through a sample tax return to see the impact of your deductions
• BONUS: Learn how to buy investment properties in the best real estate markets throughout the country for $30,000-$100,000. Optional materials fee of $39 dollars for comprehensive tax workbook is payable to the instructor at class.

Looking for Photography? We have online many digital Photography classes this summer!

Travel Photography for the Digital Photographer
Learn the tricks and techniques digital photographers need to capture scenes from around the world and bring them home. Visit www.ed2go.com/lpccommed to enroll

Register at: www.laspositascollege.edu/communityed
Become a Notary in One Day! (Exam included)

Start a new career or part-time business and earn additional income! Acquire the knowledge and skills to pass the State Notary Public Exam and become a California Notary Public. Materials Fee: $25 payable to instructor in class for textbook and handouts. State Notary exam is administered at the end of class. Bring two #2 pencils, State approved ID (driver’s license or passport, must be current, not expired) 2x2 color passport photo and a check for $40.00 made payable to the “Secretary of State.” Test proctors do not accept cash or credit cards. California Notary Academy is a California state approved vendor of notary education. Passport photos and live scans are also offered on the day of class for an additional fee.

What Were You Born to Do?

You were born to make a unique contribution to humanity. Progressing toward this purpose brings joy and abundance. Straying from it causes stress and emptiness. To accomplish this, one of the 33 Natural Talents® is wired into your DNA. It’s so subtle, you rarely notice it; yet so powerful, it’s the source of your highest potential. Elvis, Oprah and Einstein were all just “doing” what comes naturally.” Also discover why applying your Natural Talent relentlessly will magnetically attract all the desires of your heart. (Ages 16 to adult) Audney

Voice-Overs...Now is Your Time!

In what could be one of the most enlightening 2 hours you’ve ever spent, class will show you how YOU could actually begin using your speaking voice for commercials, films, videos, and more! Most people go about it the wrong way. In this class, you will learn about a unique, outside-the-box way to cash in on one of the most lucrative full or part-time careers out there! This is a business that you can handle on your own terms, on your own turf, and in your own time, and with practically no overhead! and NOW is the best time to make this happen as new companies are always looking for new voices like never before. This exciting and fun class could be the game changer you’ve been looking for. You will be offered the opportunity to take continuing classes at additional cost, if you choose to be contacted. Foster

Microsoft Office--Beyond the Basics

Introduction to Screenwriting for TV & Movies
Fast-paced, comprehensive session about special screenwriting terms and formats for TV and the big screen. Discover how to plot a story, develop characters and execute your work in the proper screenwriting format. Understand the difference between a Treatment, a Spec Script and a Shooting Script and writing format. Understand the difference between a Treatment, a Spec Script and a Shooting Script and when to do each. Get an inside look into the business side of selling your script to agents and producers and building your career as a screenwriter. Krusemark
10206 7/15 Mon 6:00 - 7:00pm $29 Materials Fee $10

15 Steps for Writing for Online Blogs, Magazines & Websites
You don’t need a journalism-school degree, newspaper reporting experience, or previously published articles to write for online blogs, magazines, and websites. Some online opportunities offer exposure and networking, while many pay well — $1 a word and more. In this fast-paced session, you will learn how to: find more than 1,000 opportunities that pay, find story ideas, conduct interviews and find sources, find and study your target market, and create pitches, queries and LOI’s (letters of intent). A mandatory $10 materials fee is payable to instructor at the door. Krusemark
10209 7/15 Mon 7:00 - 8:00pm $29 Materials Fee $10

Beginner’s Guide to Getting Published
Did you know Stephen King was rejected 75 times before he sold his first novel? If your goal is to become a published freelance writer by selling a magazine article, short story, poem, or even a novel, this comprehensive workshop will guide you to, then past the editor’s desk. You will discover how to: become a “published” writer overnight, submit manuscripts the correct way, find the right publisher for your work, writing irresistible query letters, 100 ways to make money as a freelance writer, and obtain FREE future Q&A opportunities. If you really want to succeed, this step-by-step workshop, taught by a successful published writer, is a must! A mandatory $20 materials fee payable to the instructor at the door for printed information designed to help you long after the workshop is over. SPECIAL NOTE: Due to the high demand for this instructor nationwide, this workshop can only be offered once a year. Krusemark
10210 7/15 Mon 8:00 - 10:00pm $39 Materials Fee $20
