

# TEEN HEART SCREENING EVENT

## LIVERMORE HIGH SCHOOL

<p><b>WHO</b></p> 	<p>All teens and young adults ages 12 to 25!</p>	<p><b>WHEN</b></p> 	<p>Sunday, April 22, 2018, 9:00 am to 3:00 pm</p>
<p><b>WHY</b></p> 	<p>It is estimated 1 in 500 school-aged children suffer an undiagnosed heart defect, which can lead to sudden cardiac arrest and death. A typical annual physical does not screen for advanced heart abnormalities. <b>This does not take the place of your annual or pre-participation sports physical.</b></p>	<p><b>WHERE</b></p> 	<p>Livermore High School, 600 Maple Street, Livermore, 94550</p>
<p><b>WHAT</b></p> 	<p><b>Screenings take 60-90 minutes</b> (wait times may vary) and include a health history questionnaire review, an EKG test, and if warranted, an echocardiogram. The entire process is non-invasive—no needles or x-ray exposure—and we ensure each teen’s confidentiality, privacy and individual modesty is respected throughout all aspects of the screening.</p>	<p><b>COST</b></p> 	<p><b>OUR SCREENINGS ARE OFFERED FREE OF CHARGE thanks to our sponsors.</b> Consider paying it forward to allow us to keep saving young lives. Just \$25 helps us screen another teen. Donations may be made at the screening or during the online registration process.</p> <p><b>SPONSORS:</b> Stanford Health Care Valley Care, Heart of the Valley Pediatric Cardiology, Livermore High School, and Alameda County EMS</p>
<p><b>HOW</b></p> 	<p>Register your child in advance and bring their completed health history form and signed consent to the event. Please register and find forms at <a href="http://viaheartproject.org/screenings/">viaheartproject.org/screenings/</a> <b>Registration will be open from March 12, until to noon on Friday, April 20 and is limited to 750 students.</b></p>	<p><b>CONTACT</b></p> 	<p>Any questions, please call 800-284-0125 or email <a href="mailto:screening@viaheartproject.org">screening@viaheartproject.org</a></p>
