

LAS POSITAS COLLEGE FINANCIAL AID OFFICE
2019-2020 SAMPLE AWARD LETTER

This letter is emailed to each student's Zonemail email account after all required forms and documents required for the financial aid file have been submitted and reviewed.

Dear Student,

We have completed review of your file for 2019-2020. Your initial financial aid award offer and details of your eligibility have been posted to your financial aid tab on CLASS WEB, accessible from the Las Positas College Website's homepage or at <http://banner-web.clpccd.cc.ca.us:700/>. Click '**MY AWARD**' for details. If you previously received an award notice you are receiving this email because your award has been updated since your last notice.

You are eligible for financial aid as long as your satisfactory academic progress status does not indicate that you are disqualified. If you need help learning how to access your Class Web financial aid information please come into the office and we will help you or you can receive help in the Online Service Center next to the Admissions and Records Office.

On Class Web you will find your financial aid details for the 2019-2020 aid year, including

- * Your estimated cost of attendance
- * Your financial aid award offered (grants, loans and/or federal work-study)
- * Your estimated other resources available to help pay college expenses (includes scholarships, Promise Grant (formerly 'BOGW') fee waiver, etc.)
- * Your overall academic progress status for financial aid
- * The general payment (refund) dates that grant or loan refunds are scheduled to be released.

These dates will only be accurate for students whose files were complete and who enrolled at least 8 days prior to the indicated refund date and who are not currently disqualified due to unsatisfactory academic progress or excessive units.

In addition to funds currently awarded, you may be eligible for a Federal Work-Study (FWS) Job and/or a Direct Student Loan. Please contact our office or review our website for additional information and details.

Be sure to review your academic progress by clicking the 'MY OVERALL STATUS' tab.

Disqualified students are not eligible to receive financial aid payments until satisfactory progress has been restored although your full award offer will still appear in your account.

PLEASE NOTE: your grant award indicates the MAXIMUM amount of grant you are eligible for. You will receive this amount ONLY IF YOU ARE ENROLLED FULL-TIME. If your enrollment is less than FULL-TIME your actual payment will be proportionately reduced. Additionally, payment for late-start classes will not be released until the week the class has actually begun. Please refer to the 2019-2020 PELL GRANT CHART at <http://www.laspositacollege.edu/financialaid/assets/docs/19-20/1920-PELL-PAYMENT-CHART-LPC.pdf>. This will help you determine your semester Pell grant eligibility based on your expected family contribution and your enrollment status. Fulltime is 12 or more units, 3/4 time is 9 - 11.5 units, 1/2 time is 6 - 8.5 units, and less than halftime is less than 6 units.

RECEIVING YOUR FINANCIAL AID REFUNDS

Financial Aid payments (also called 'refunds') are processed through BankMobile, a financial institution. In order to receive your financial aid refund you must activate your BankMobile account. To activate your card or envelope, log into www.laspositasdebitcard.com and choose a preference for method of delivery of your refunds. Please contact the financial aid office if you need any assistance regarding BankMobile.
