Summary of Instructions

Sandia National Lab Scientific Honors Program

To be considered for the Las Positas College Sandia Scientific Honors Program scholarship, which includes referral to Sandia for consideration of a possible internship opportunity (if you check off your interest on the application), please:

1. Complete and return the enclosed application to the Financial Aid Office, Building 1600, Las Positas College **no later than the end of the day on Monday, January 23, 2017**. Application may be placed in the After-Hours Drop Box located in the hallway next to Financial Aid near the ATM machine if the office is not open when you drop off your application.
2. Request **two** members of the faculty who are familiar with your background, *preferably in your major area*, to provide a Letter of Recommendation for the scholarship. Letters of recommendation must either be attached to your application or the faculty member may send it directly to the Financial Aid Office to remain confidential. ***Recommendations must also be received by the January 23rd deadline.***
3. You will be notified after our selection process is complete as to whether you did or did not receive a scholarship.
4. Internship selection process: students who check the field to indicate interest in an internship will have their applications sent to Sandia for possible selection of an internship opportunity and will be contacted to provide additional information by Sandia.

SPECIAL NOTE:

Internship employment at Sandia National Laboratories is conditional upon the satisfactory completion of a urinalysis drug test at an approved laboratory and the ability to meet the requirements in obtaining a United States Department of Energy special security clearance through a background check.

For questions please contact Andi Schreibman, Financial Aid Office, (925) 424-1585.
