

## Guided Pathways District Wide Technology Resolution

Whereas the purpose of the Guided Pathways efforts for Chabot College and Las Positas College campuses is to provide students with the best possible experience and improve upon their student outcomes; and

Whereas technologies will play a key role in Guided Pathways work and any implementation of said technologies will allow students at both campuses to achieve the objectives of Guided Pathways; and

Whereas the financial stability of the Chabot-Las Positas Community College District (CLPCCD) is of paramount importance when identifying and implementing a technology solution to support both campuses; and

Whereas the benefits of collaboration among the colleges and district will help to improve the overall stability of the CLPCCD and help assure student success;

Be it resolved that it is recommended and supported that a common technology solution for both the Chabot and Las Positas campuses be coordinated by the Chief Technology Office at CLPCCD with collaboration from the Guided Pathways committees at both campuses.
