# March-in-March

---

You are invited to accompany our LPC students to the March-in-March in Sacramento on March 14. Last year this an annual statewide march and rally attracted about 50,000 community college students from all over the state. At least 6-8 employees are needed to take 50-100 students this year; they will act as "advisors" and ride with the students on the buses.

The buses will be leaving from LPC at 7:30 a.m., and should return by about 3:00 - 3:30 p.m. that afternoon.

Please share this information and opportunity with your students, as well.

***For more info, contact Cynthia Ross.***

The Student Health & Wellness Center  
Presents  
The National Touring Interactive College Production  
“ Sex Signals”

1 in 3 women will be sexually assaulted in their lifetime, most of these incidents will occur during the college years as date rape. In response to this statistic, we have initiated a sexual assault campaign focused on primary preventative measures as recommended by the American College Health Association.

Police & Fire officers will be at the event promoting the “my strength is not for hurting campaign” encouraging young men to live a life based on equality, caring and respect. <http://www.mystrength.org/>

We encourage faculty to view a clip of the production @ [www.catharsisproductions.com/](http://www.catharsisproductions.com/) and consider **offering extra credit** to their students for attendance of this very important educational opportunity.
