2017-18 Planning Priority Report to IPEC

Professional Development Coordinate available resources to address current and future professional development needs of faculty, classified professionals, and administrators in support of educational master plan goals.

Solutions/Steps/Activities		Stakeholders	Review	Done
1.	Expand processes to coordinate Professional Development on the campus.	PD Committee and Coordinator		
	• Existing Staff Development Committee structure includes a Professional			2016-17
	Development (PD) coordinator who receives 20% reassigned time			
	• The current PD coordinator has streamlined processes for staff			2016-17
	members to obtain approval and funding to attend PD events			
	• This effort will continue throughout the 2017-18 year and beyond			ongoing
2.	Provide support for this expansion in terms of classified professional	PD Coordinator and Senior		
	support and coordination.	Administrative Assistant		
•	A part-time Senior Administrative Assistant has been hired to assist with the			Nov
	coordination of PD activities and paperwork processing.			2017
3.	Broaden and expand the Professional Development program.	PD Committee and Coordinator		
٠	Some components of the existing Full-Time Faculty Orientation could be		just	to begin
	adapted to create a similar program for classified professional staff.		begun	2017-18
4.	Connect the available funding streams in a meaningful way to the classified	PD Coordinator and various		
	professionals, faculty and administrators on campus who need Professional	Administrators		
	Development funding.			
•	PD Coordinator has been making connections with Administrators			ongoing
	overseeing various funding streams that may provide resources for PD			
٠	It is a goal to create an organized and streamlined process to coordinate		Now on	to begin
	various funding streams to provide resources for PD in the future		website	2017-18
5.	Allow for the prioritization of allocations of Professional Development	PD Committee and Coordinator		
	funding and the equitable distribution of Professional Development	along with one or more		
	resources, either through the Professional Development committee or	Administrators		
	some other allocation committee on campus with transparency.			
٠	Development of a prioritization process and a method to ensure equitable		In	to begin
	distribution of resources should begin in 2017-18 academic year		process	2017-18

Presented to IPEC on 4/24/18

Define the idea of what Professional Development is for our campus, versus the perception of what it is, and develop a program that responds to the Educational Master Plan goals.	PD Committee and Coordinator		
Committee should review existing mission along with Education Master		In	to begin
Plan and determine if changes need to be made		process	2017-18
Fund Professional Development at adequate levels that will create a	PD Committee and Coordinator		
dynamic workforce to improve college functions in support of our students.	and VP Administrative Services		
Determination of funding to meet PD needs is part of the annual budget		In	ongoing
process		process	
Coordinate and leverage with existing CCCCO funded Professional	PD Committee and Coordinator		
Development resources including PLN (Professional Learning Network) and			
3 CSN in meaningful ways, through use of available resources and			
purchasing institutional memberships.
