Guided Pathways Project for '20-21

Goal:

- Streamline and clarify the onboarding process from **application to registration**.
- Each student **receives clear and accurate information** regarding college requirements-
application, financial aid & programs of study.

Enter their Pathway Pillar 2: Objectives

- Each student encounters multiple experiences that *intentionally build community & connection* with LPC
- Each student engages in *onboarding activities* that helps them *enter college and explore careers*.
- Each student receives *clear and accurate information* regarding college requirements- *application, financial aid & programs of study*.
- Each student with identified major is provided *program maps with course sequence* and milestones.

Jam Board Activity

....

Questions to
consider?

- How do we intentionally build community?
- What would you like ALL new students to:
 - **KNOW, FEEL and DO?**
- What resources do we need?

Momentum Strategies

Completion by Design -Bill & Melinda Gates Foundation Research Initiative

Increased awareness of college requirements & application process

Increased understanding & aggressive financial aid application support

Enrollment directly from HS

Declared program of study linked to careers (Program Maps)

Enrollment: 15 units/ term, English & math 1st yr. & 9 units in major 1st yr.

Mandatory intentional advising (life skills, career exploration, cohorts)

4 Factors build Students Completion Capacity

RP Group Through the Gate Report

University Affordability: ensure students understand the true costs of college & expenses, and available assistance.

Pathway Navigation: provide timely & accurate information about each stage of the educational journey, from entry to graduation.

School-Life Balance: easing students' balance of work, family & college responsibilities

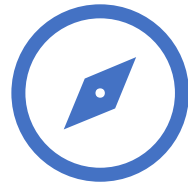

Support Network: connecting students with caring, encouraging individuals

4 Questions Students Ask

RP Report -Through the Gate May 2020

University Affordability:
How can I afford college?

Pathway Navigation:
What steps do I need to take next?

College- Life Balance:
How do I balance all my responsibilities?

Support Network:
Who on campus cares about my success?

Jam Board Activity

- What are we currently doing in these 4 questions
- What would you like to do in the future
- Where do your ideas fit in these 4 factors

Loss Points: Entering their Path

Completion by Design Research by Bill & Melinda Gates Foundation

Don't apply to college or
Delayed enrollment to
college

Poor college counseling
which leads to under
enrollment

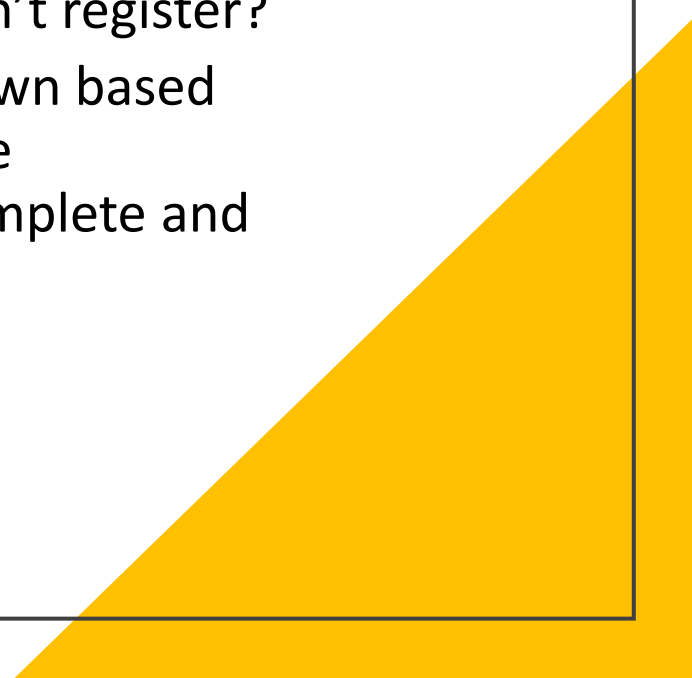

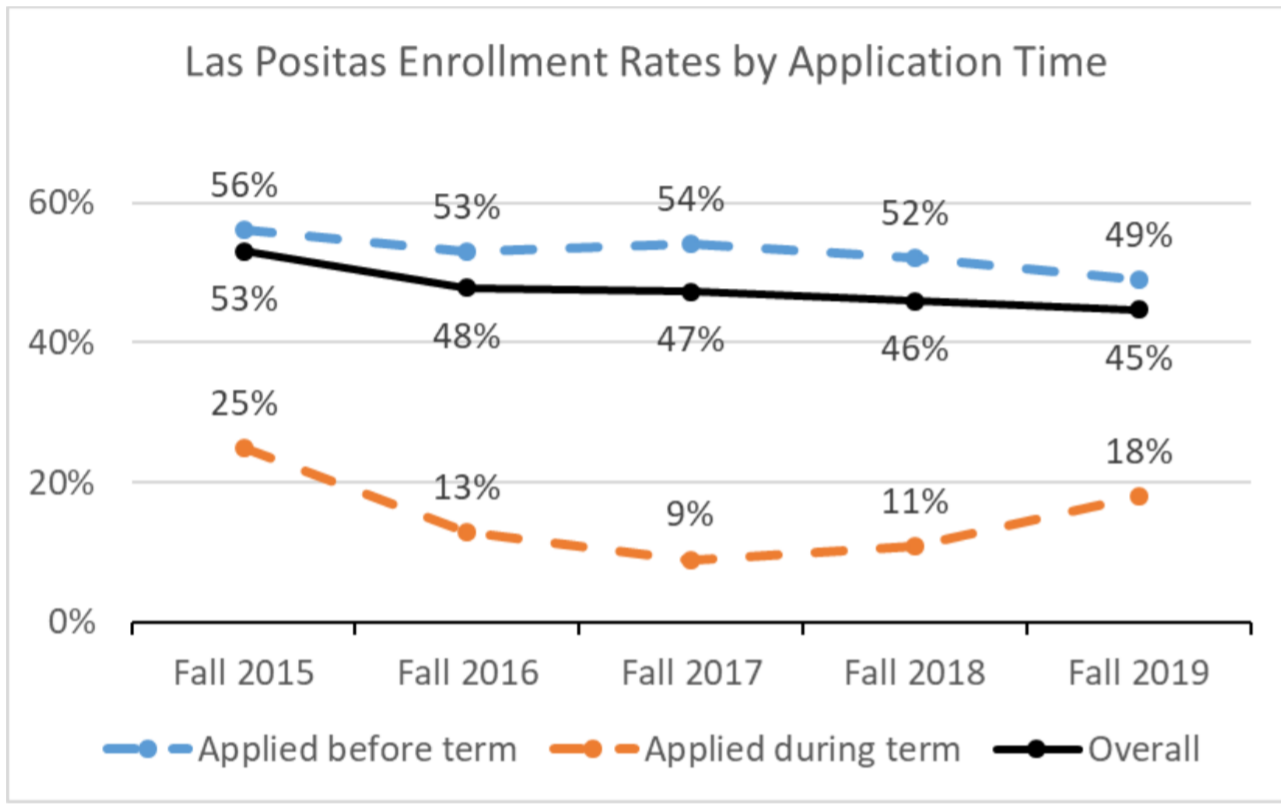

Failure to obtain financial
aid which qualify for

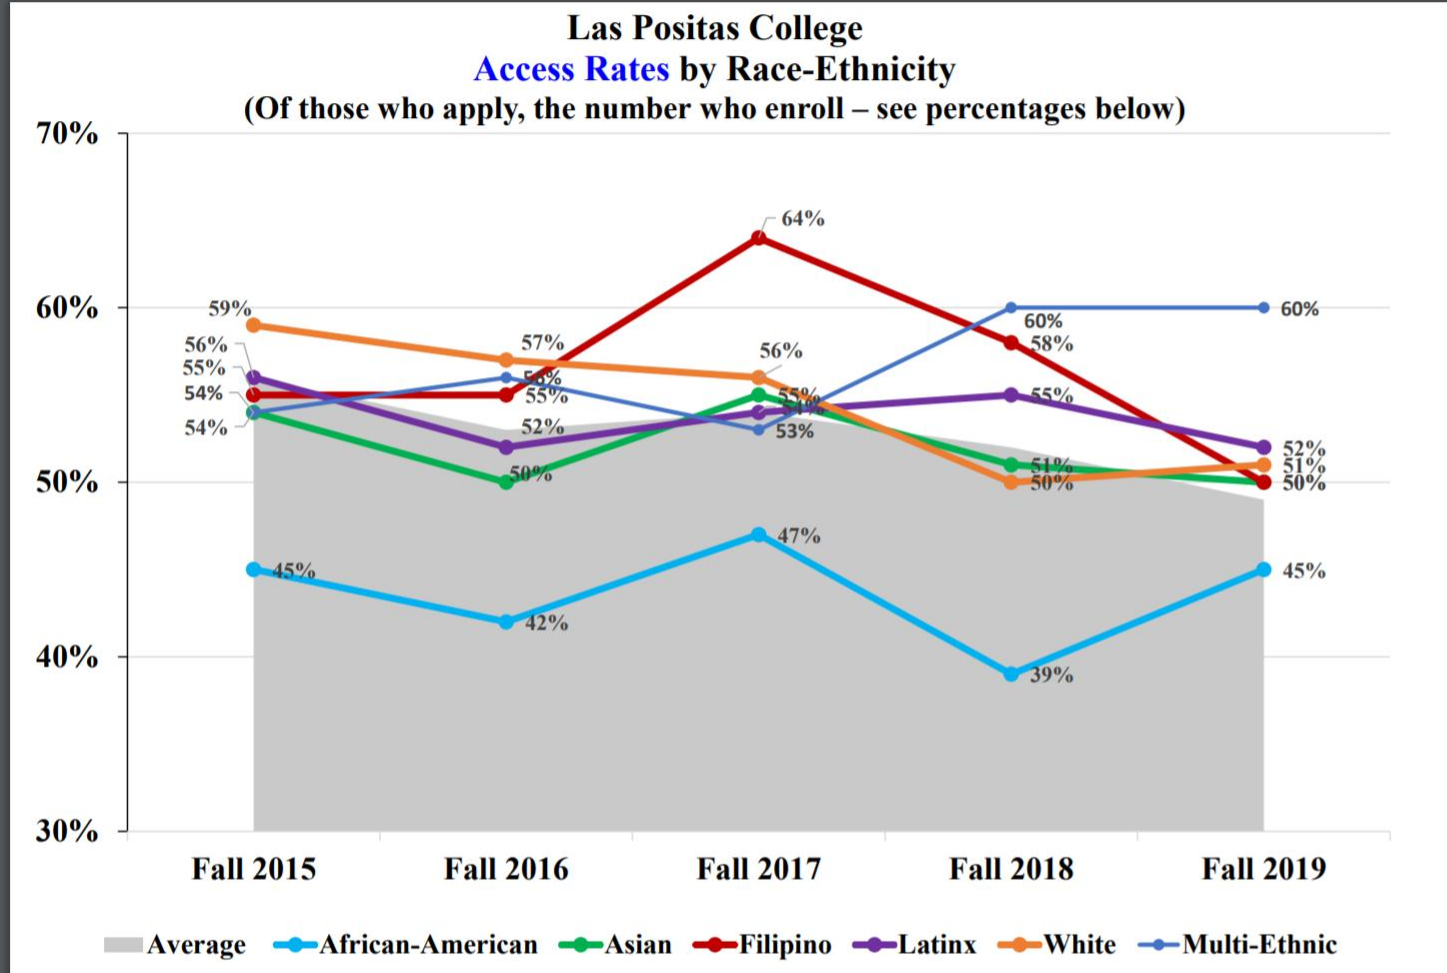

Failure to enroll in
Gatekeeper courses
(transfer English & math)
Poor academic preparation

Loss of Momentum Data Points

- Where are we losing our students during the onboarding process?
 - How many students start the application process but don't register?
 - What was the breakdown based on DI Groups who were successfully able to complete and register for classes?
- 
- A large yellow triangle is positioned in the bottom right corner of the slide, pointing towards the top right. It is partially cut off by the right edge of the slide.

Thoughts ...Pair & Share

- What trends did you notice?
- Thoughts as to why this is occurring?

Online College Resources for Students

We have attempted to collect all of the possible help you might need on this resource page. This includes not only technical help, but also academic, and other help with issues of concern to students. If you are new to online learning, watch the video titled [What Do We Mean When We Say Online Environment?](#)

Computer Center - Online

The college's Computer Center is an excellent resource for students to get help with assignments, technology questions, or Canvas. This is an online open Computer lab with Instructional Assistants on duty during business hours to answer your questions. Business hours are Monday-Thursday, 8:00 AM-8:00 PM, and Friday 8:00 AM - 3:00 PM. [Go to Computer Center site.](#)

Online Learning Web Site

This site contains important information for LPC online students, including links to FAQs and the college's Privacy Statement. [Go to the Online Learning Home Page.](#)

Canvas Technical Support

If you need technical support with Canvas, call their toll-free support, available 24 hours a day, 7 days a week, through December 31, 2020. **Students Canvas Support Number:** 1-844-600-4956. Beginning January 1, 2021, student support through Canvas will be changing. Phone support will be discontinued. However, you will have access to a new "self-service" support page by clicking Help in the global navigation menu. On the page, in addition to 24x7 live chat for students, there will be 24x7 email support. The self-service page will be powered by LPC's Knowledge Base that will give students answers to popular college-specific questions.

Tutorial Center

LPC's Tutorial Center has tutors who provide live help in a variety of subjects, including Reading and Writing (RAW). Online tutors in the Tutorial Center are available only during the fall and spring semesters. [View more information on the Tutorial Center's online tutoring efforts.](#)

Student Services

LPC offers a host of services intended to support you and help you reach your educational goals. The college's Student Services site links to all of these **Programs & Services**, including: Admissions & Records, Assessment Center, CalWORKS, CARE, Career & Employment Center, Commencement, Community Education, Counseling, Disability Resource Center, Engineering Tech, EOPS, Financial Aid, Hispanic Serving Institution Grant, International Students Program, Orientation, Outreach, Puente Project, Student Discipline, Student Equity Program, Student Grievance, Student Health & Wellness Center, Student Life, Student Success & Support, Title IX, Transfer Center, Umoja, Veteran's First, and the Welcome Center. SPRING 2021 COURSE SCHEDULE

Explanation of Terms used in the Online Course Schedule

To protect the health and safety of our community during the pandemic, LPC will offer most courses in a virtual format for Spring 2021. Visit www.laspositascollege.edu/spring2021 for resources to support online learning and services, including a current Class Schedule. Use the resource below to guide your choice about the types of online classes available.

Section number identifiers:

- A01 = Asynchronous
- S01 = Synchronous
- B01 = Both; Combination of synchronous and asynchronous
- H01 = Hybrid

Terms to know:

Asynchronous

A class taught 100% only online for the entire duration of the course. The course materials and assignments will be made available by the faculty for students to access on their own time. Class does not meet at regular set time online. Students do not need to come to campus unless they are required to pick up materials.

This is what it looks like in the schedule:

Humanities									
CRN	Subj	Crse	Sec	Units	Title	Campus			
		Start Date	End Date	Days	Times	Bldg	Room		
31311	ARTH	1	A01	3.00	Intro to Art History	Las Positas College			
		Jan 19, 2021	May 28, 2021					ONLINE	
Instructor(s): RENTERIA, SORAYA									
*This section is an online course. For more information, see the section titled "Online Learning" in this schedule, or go to http://www.laspositascollege.edu/onlinelearning									

Synchronous

A class taught 100% online in which the instructor and students are required to meet at a set time online in order to engage, review, and discuss course materials and assignments. All the regular class occurs remotely through ConferZoom in the Canvas platform. Students do not need to come to campus unless they are required to pick up materials.

This is what it looks like in the schedule:

Humanities									
CRN	Subj	Crse	Sec	Units	Title	Campus			
		Start Date	End Date	Days	Times	Bldg	Room

LPC Caring Campus Initiative

Coming Soon – Fall 2021

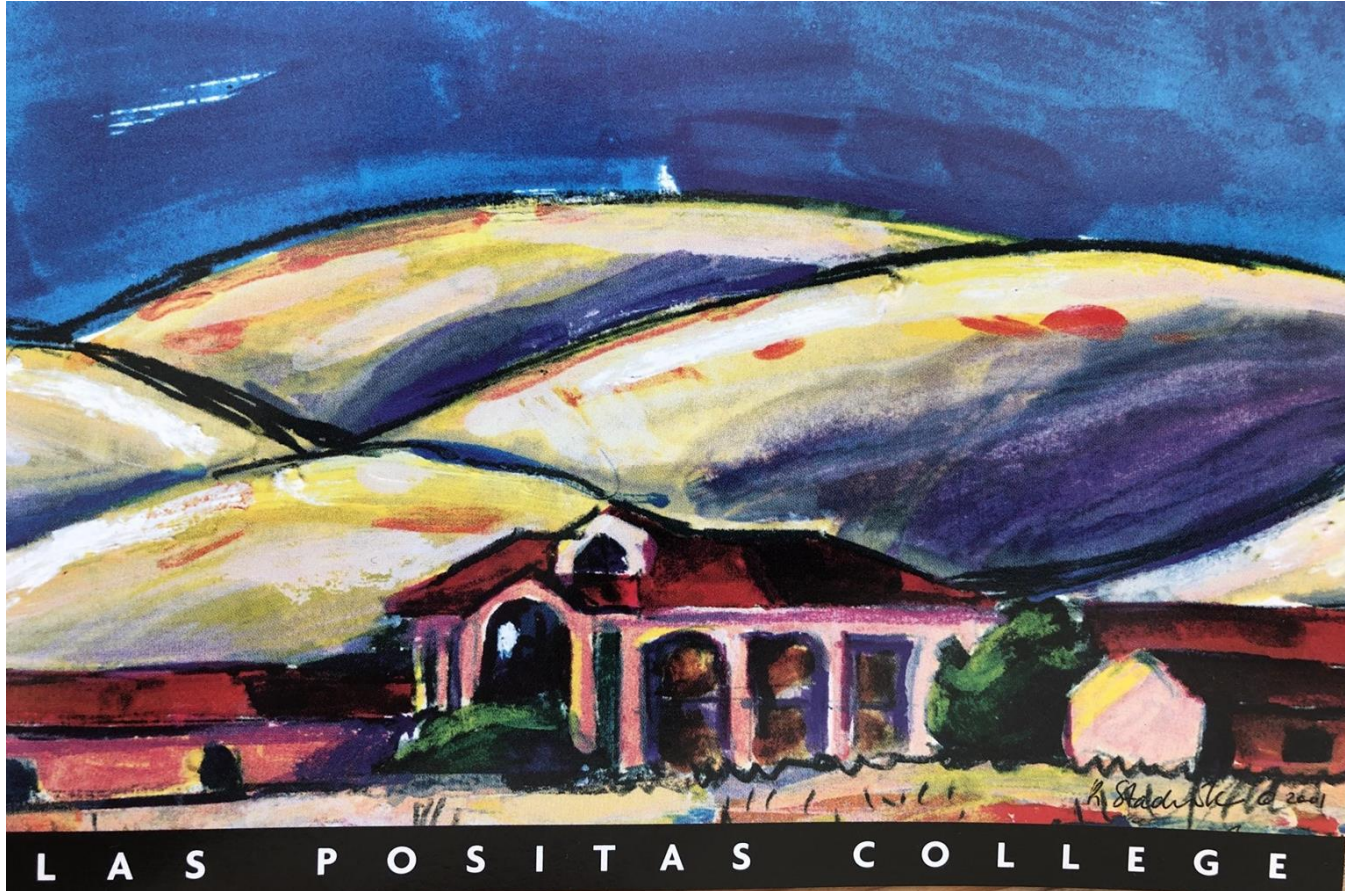

What we know...

Students go where they feel welcome and stay where they feel cared for.

Caring Campus is about making the work you're already doing, even more impactful to even more students.

The objective of [Institute for Evidence-Based Change](#) (IEBC) Caring Campus program is to increase student retention and success in community colleges by creating and cultivating Caring Campus environments through the intentional inclusion of all staff in student success efforts.

Come get involved!

Guided Pathway Workgroup
Entering their Path-Pillar 2

4th Friday from 1-3 PM

Thank you for attending!

Next meeting, Friday, March 26 from 1- 3 PM

Assumptions underlying our work...

- Students are highly motivated to enter college and complete their educational journey to improve their lives and the lives of their family!
 - RP Group 2020 –Through the Gate Report
- And an increase in students understanding of:
 - college requirements
 - application process
 - financial aid process
 - registration process and
 - degree & major requirements

will increase the number of students that enroll and complete their degree or certificate at LPC.
