President's Greeting

Dear Faculty and Staff,

As I had the opportunity to do three years ago this week, once again it is my honor and great pleasure to welcome you back for the Fall Semester. Much has changed in the past three years. All of the Vice Presidents with whom I worked have moved on to other districts (three are now presidents and one is a vice president), only two of the six deans are still here and we have a new Chancellor and two new Vice Chancellors. The Student Services/ Administration Building, the Campus Boulevard Project and the Science Building Expansion are completed. What I have discovered with all of these changes is that our incomparable faculty and staff are mostly still here and continuing to serve our students and each other in the dedicated, professional manner I came to admire in years past. It is good to be back and I look forward to seeing you at Convocation and meeting some of our new faculty and staff as they begin their careers at LPC.

We will be meeting for Convocation at Chabot College this year on Thursday, August 15 and holding our annual College Day on Friday, August 16, at LPC. You will have the opportunity to meet and hear the new Chancellor, Dr. Jannett Jackson, on Thursday morning. We have an interesting and informative program planned for you on Thursday afternoon as we look forward to a year facing old and new challenges. The district has a new Resource Allocation Model so we will have to develop a new budgeting process to implement this new model. We will have to complete our work on our planning processes in order to meet Accreditation Standards prior to beginning our Self Study next spring.

On Friday, we will continue our work with an All College Meeting at 9:00 a.m. Our new Cafeteria is open and our Food Service Contractor, *fresh & natural*, will be sponsoring a lunch for you at 11:30 a.m. to introduce you to their menu and high-quality preparation. It's free and we strongly encourage you to join us as we enjoy our meal and our new facilities together. We will have tours of the SSA Building before and after lunch for those interested. As usual, Friday afternoon will be set aside for Division and Department meetings. Please see the detailed schedule on the following pages.

The beginning of a new academic year is always an exciting time. We will meet thousands of new students who are embarking on their higher education studies. They will be a little scared, a bit nervous and very excited.

Enjoy that wonderful feeling of hope and inspiration as we begin a new year. Welcome back.

Guy F. Lease
Guy F. Lease, Ed.D.
Interim President

Convocation Day

Thursday, August 15, 2013 at Chabot College

2555 Hesperian Blvd., Hayward CA 94545
