Student Success Scorecard

The screenshot shows a web interface for the Student Success Scorecard. At the top left, there is a logo for the 'STUDENT SUCCESS INITIATIVE' with a small photo of a student. To the right is the 'CALIFORNIA COMMUNITY COLLEGES' logo. The main title 'STUDENT SUCCESS SCORECARD' is displayed in large, bold letters. Below the title is a large photograph of a diverse group of graduates in black caps and gowns, celebrating with their arms raised. A small orange box in the bottom right corner of the photo reads 'Rio Hondo College'. Below the photo is a dropdown menu with the text 'Make a selection' and a downward arrow. The main content area has the heading 'Student Success Scorecard' followed by two paragraphs of text.

Student Success Scorecard

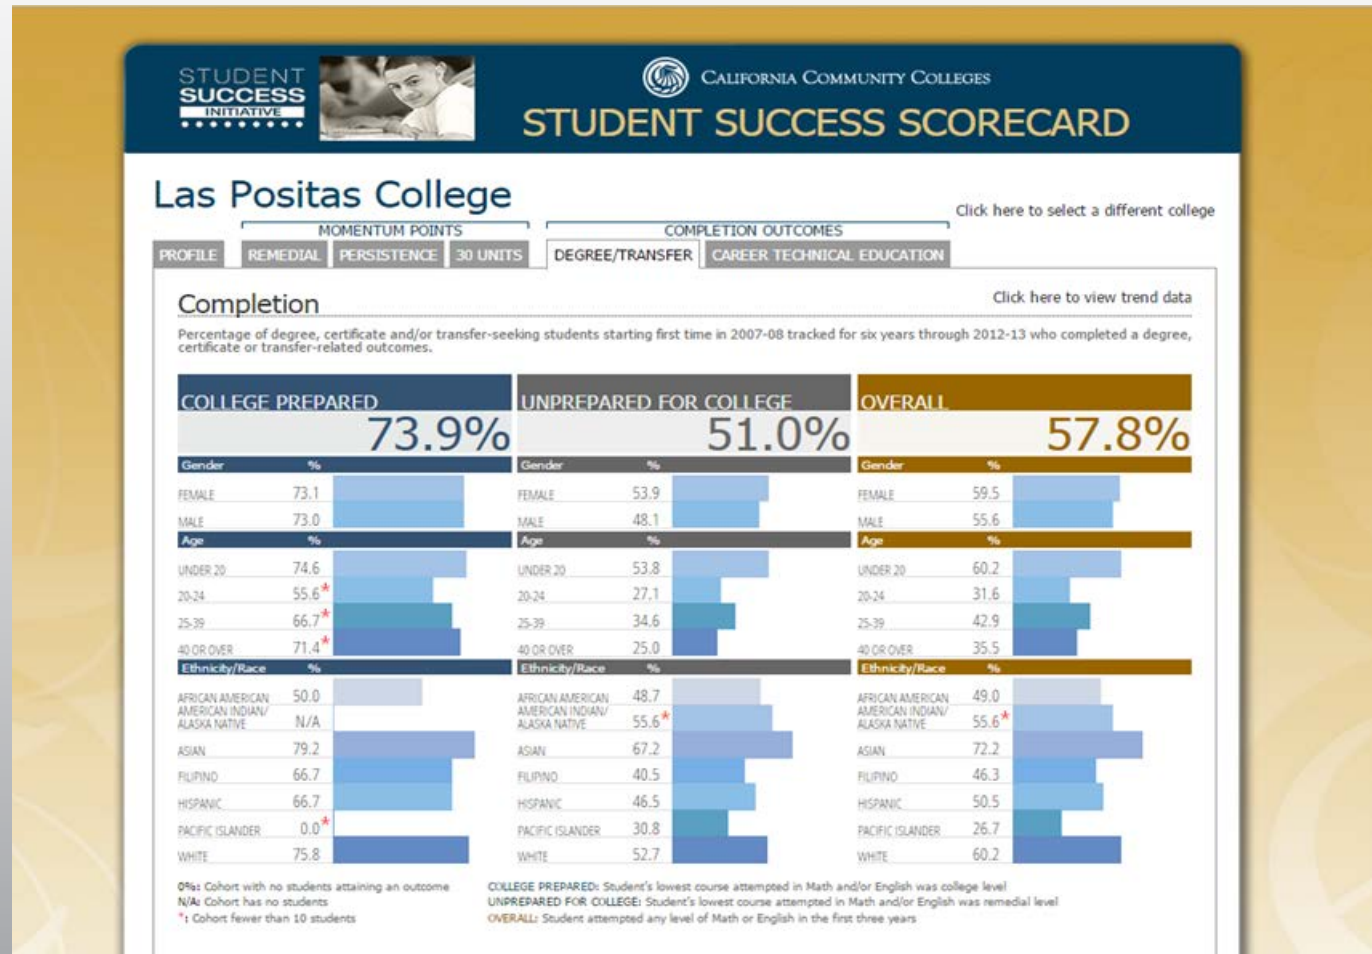

In its commitment to increase transfer and degree and certificate attainment, the California Community Colleges Board of Governors has established a performance measurement system that tracks student success at all 112 community colleges.

This scorecard represents an unprecedented level of transparency and accountability on student progress and success metrics in public higher education in the United States. The data available in this scorecard tell how well colleges are doing in remedial instruction, job training programs, retention of students and graduation and completion rates.

Salary Surfer

The screenshot shows the Salary Surfer website interface. At the top, there is a blue header with the "SalarySurfer" logo on the left, which includes the text "California Community Colleges Chancellor's Office". On the right of the header is the "STUDENT SUCCESS" logo with a circular emblem. Below the header is a photograph of three dental hygiene students in blue scrubs looking at a document. A green callout box in the bottom right of the photo reads "Moreno Valley College Dental Hygiene". Below the photo is a dropdown menu labeled "Select a Program of Study". The main content area has a white background with the following text:

Salary Surfer

As students and their families make important decisions about investing their time and money in pursuing a college education, the California Community Colleges Chancellor's Office is making available for the first time comparative information about the earnings of recent graduates who received an award in a specific program area at California community colleges.

The Salary Surfer uses the aggregated earnings of graduates from a five year period to provide an estimate on the potential wages to be earned two years and five years after receiving a certificate or degree in certain disciplines. This tool also provides information on which colleges offer programs in those specific disciplines. The Salary Surfer does not contain information about wages earned by community college students who transfer to a four-year institution.

Salary Surfer

The screenshot shows the Salary Surfer web application interface. At the top, there is a navigation bar with the 'Salary Surfer' logo and the 'STUDENT SUCCESS' logo. Below the navigation bar, a dropdown menu is set to 'Biological Science' and a checkbox labeled 'Display only programs with wage data' is checked. The main content area is titled 'Biological Science' and includes a descriptive paragraph: 'Instructional programs that study life or living matter in all its forms and phenomena, especially with regard to the origin, function, growth, reproduction, heredity, and structure of life forms.' Below this is a table with columns for Curriculum, Award Type, and Median Annual Salary (subdivided into 2 Years Before, 2 Years After, and 5 Years After). The table lists three programs: Biology, General (Degree); Biotechnology and Biomedical Technology (Degree); and Biotechnology and Biomedical Technology (Certificate). At the bottom of the screenshot, there is a footer with navigation links and copyright information.

Curriculum	Award Type	Median Annual Salary		
		2 Years Before	2 Years After	5 Years After
<input type="checkbox"/> Biology, General	Degree	\$16,198	\$32,835	\$55,272
<input type="checkbox"/> Biotechnology and Biomedical Technology	Degree	\$20,363	\$48,899	\$73,025
<input type="checkbox"/> Biotechnology and Biomedical Technology	Certificate	\$11,933	\$30,543	\$53,453
