

Student Government
Advanced Senator Application
Las Positas College

If you're an appointed senator at Las Positas's Student Government, you have the opportunity to apply for an advanced senator position.

The LPCSG, Las Positas College Student Government, Senate is comprised of thirty delegates who represent Las Positas College student interests at both the campus and district levels. Moreover, the LPC Student Government maintains five (5) standing advanced senator positions: Parliamentarian, Finance, Public Relations, Media, and Programs and Services. At the time of application and throughout the term of office, each Advanced Senator must be enrolled in at least five (5) units at Las Positas College, have an overall (cumulative) GPA of at least 2.0, and be a LPCSG Member. *Submit this application to the LPCSG office once you have been approved as an official LPCSG senator, attended and maintained proper attendance with appointed Office Hours and Governance Committee(s), and obtained approval signatures after scheduling an interview with both the President and Vice President of LPCSG.* Once your eligibility has been verified, the President will review your application, and with the President's decision, your name will be placed on the Advanced Senator Appointment item of the following week's LPCSG Regular Senate Agenda for approval.

Submit this application to the Student Government Office once you have completed an interview with both the President and Vice President of LPCSG, as well as attached a Letter of Intent. Once your eligibility has been verified and your letter reviewed by the President and Vice President, your name will be placed on the Advanced Senator Appointment item of the following week's LPCSG Agenda for approval.

The following is an outline of the required information within the letter of intent:

A. Letter of Intent

- a. **Intro:** state any relevant information including which position you're applying to, name, and contact information.
- b. **Body:** Include why you are passionate for the stated position and what credentials you have that are relevant to the said position.
 - i. **Specifics:** define your career objectives and goals, experience, skills, and attributes that set you apart from other applicants.

It is essential to clearly state your career objectives and goals, experience, skills, and attributes that set you apart from other applicants in your letter of intent. We will use this information as a key part of our decision making process.

I have completed a scheduled interview with the President and Vice President of LPCSG.
