

CREDIT FOR PRIOR LEARNING REQUEST FORM FACULTY

Credit for Prior Learning (CPL) is credit awarded for validated college-level skills and knowledge gained outside of a college classroom. It's a strategy to grant students credit for what they already know and can do. Credit for Prior Learning can be offered by exam, portfolio, industry training, military training, state/federal government training, apprenticeships, internships, work-based learning, or other industry-based experiential learning.

DIRECTIONS: If you would like to make your course eligible for credit for prior learning, please fill out this form and return it to the [Curriculum Committee Chair](#) via email.
