

DEGREES & CERTIFICATES

EMERGENCY MEDICAL SERVICES EMT-PARAMEDIC CERTIFICATE OF ACHIEVEMENT (CA)

About the Program

This program is designed to prepare students to take and pass the National Registry Emergency Medical Technician - Paramedic (NREMT-P) examination so they can become Licensed Paramedics in the state of California. It also prepares students to transfer and earn a BA in Paramedics. Students that complete the Certificate of Achievement in Emergency Medical Services EMT-Paramedic degree are able to gain employment as paramedic firefighters, paramedics on ambulances that serve the community as Advanced Life Support 9-1-1 providers, and in certain limited situations work in the hospital setting.

Program Goals and Objectives

This program is designed to prepare students to take and pass the National Registry Emergency Medical Technician - Paramedic (NREMT-P) examination so they can become Licensed Paramedics in the state of California. It also prepares students to transfer and earn a BA in Paramedics.

Career Opportunities

Students that earn this degree can find employment as a firefighter, paramedic with an ambulance company, and in specific and limited cases, work in a hospital.
