

DEGREES & CERTIFICATES

MARINE TECHNOLOGY BOATING 101 CERTIFICATE OF ACHIEVEMENT (CA)

About the Program

The Marine Technology Boating 101 Certificate of Achievement can provide the skills necessary for an apprentice to qualify as trained entry-level marine technicians, as well as for career advancement. This apprenticeship program focuses on the mechanical and electrical side of marine equipment. Students who would like to gain employment at aftermarket shops could take this program and excel in a shop that services many types of marine equipment from multiple manufacturers. Students work side-by-side and hands-on with industry professionals in a fully equipped and up-to-date facility.

Program Goals and Objectives

This apprenticeship program is CTE focused and will help students attain a job-ready state to gain employment in the Marine Technology industry.

Career Opportunities

Marine Technician, Marine Sales representative, Marine parts person, Marine Service writer, Marine Service Manager.
