CAREER AND TRANSFER SERVICES

Career Services (Building 1600)

Career planning is an integral part of the educational process. Current students may utilize the Career and Transfer Center to access a variety of career assessment tools. Staff are available to assist students with researching majors and occupations. Information regarding these services can be found here: www.laspositascollege.edu/careercenter.

Another opportunity for students to explore possible majors and careers is to enroll in a Psychology-Counseling (PCN) 10 course titled, Career and Educational Planning. The course provides career assessments, in-depth career exploration, and guidance in educational planning for transfer degree paths. Students will have access to a variety of employment and career-related information. Students may also request an appointment with a counselor for career exploration guidance and educational planning in the Counseling Office:
