
NONCREDIT MATHEMATICS

NONCREDIT MATHEMATICS

The Mathematics Department at Las Positas College offers a wide range of tuition-free, noncredit courses and programs designed to help students be successful in mathematics, from student learning support to being a math tutor. Course offerings include sections from our award-winning Math Jam program, foundational math classes in Prealgebra and Algebra, and our new concurrent support courses. Students interested in developing their tutoring skills can take training courses in our Math Jam mode. Most classes are mirrored in the math department and can be taken for noncredit or credit.

Programs of Study

Certificates of Competency:

- [College Mathematics Pathway](#)
- [College Mathematics Support](#)

Certificates of Completion:

- [Math Jam Tutor Pathway](#)
