ENGLISH ASSOCIATE OF ARTS (AA)

About the Program

The Associate of Arts in English degree (AA) provides major preparation in English through an introduction to English composition, critical thinking, literature, and creative writing. Please note that the English AA does not guarantee admission to CSU as the English AA-T does. However, like the Associate in Arts in English for Transfer (AA-T), the coursework will prepare students for the critical reading and writing necessary in a variety of fields. The intent of the Associate in Arts in English (AA) is additionally to provide students with an enriched background in a broader, interdisciplinary range of courses that provides more general preparation in reading, writing, critical thinking, humanities, and creative expression. Students may take elective courses in fields as varied as English as a Second Language, French, Humanities, Mass Communications, Spanish, Speech, and Theater Arts. If the student prefers this broader range of preparation to that of the Associate in Arts in English for Transfer (AA-T) but also hopes to enter the English major at the transfer university of his or her choice, it is essential that the student also refer to the catalog of the prospective transfer institution and consult a counselor. If a student plans to attend the University of California, the AA in English may meet the student's needs just as well. Students should speak to a counselor about their options.

Career Opportunities

The coursework in English prepares students for the critical reading and writing necessary in a variety of fields, including law, education, publishing, business, government, information architecture, writing, nonprofit development and fundraising, and many more. Research and feedback from San Francisco Bay Area employers show that employees who can write well and think clearly are a valued commodity in the workforce.

The Associate Degree is conferred upon those students who complete the required 60 or more semester units of the degree pattern with a grade-point average of 2.0 or better, of which 12 units must be earned at Las Positas College. In addition, students must complete a General Education pattern in order to earn a degree: see the Las Positas College Associate Degree General Education Pattern or the California General Education Transfer Curriculum (Cal-GETC) patterns for a listing of areas and courses. Double counting courses in GE and the major is permissible. The number of units that may be double counted will depend on the entry point to the degree program, the optional course(s) taken, and the GE pattern selected. Elective units must be degree applicable. Consult with an adviser or a counselor to plan the courses necessary to achieve your academic goal.
