

CIS/CNT/CS ADVISORY BOARD

Meeting Minutes

March 28, 2023 | 4:45 | Bldg. 1600, Room 1687

LPC Mission Statement

Las Positas College is an inclusive, learning-centered, equity-focused environment that offers educational opportunities and support for completion of students' transfer, degree, and career-technical goals while promoting lifelong learning.

LPC Planning Priorities

❖ Establish a knowledge base and an appreciation for equity; create a sense of urgency about moving toward equity; institutionalize equity in decision-making, assessment, and accountability; and build capacity to resolve inequities.

❖ Increase student success and completion through change in college practices and processes: coordinating needed academic support, removing barriers, and supporting focused professional development across the campus.

• Feedback for the Board

- What is missing?
 - Jim Sharp – Add Linux 2 to Cyber Security Certificate

- Red Hat Cert only listed as CS. Will also be listed as CNT in the future
- Look into security standards
 - DOE
 - NIST 800-171 or NIST 800-53
 - DOD
 - DISA-STIGS
 - Cloud storage (work with Federal Government)
 - Fed Ramp
- Joe M – consider 1 unit industry standards class
- Possible noncredit cert: Intro to Cyber Security and Industrial Standard Seminar
- What is not necessary?
 -
- Would you hire someone with this degree?
 - LLNL needs applicants to have an AS degree of AS or BS in another area and a Certification. The Certification alone will not meet their needs.
 - Certification aimed at those who need to upskill or are looking to change careers
 - Continuous learning necessary in this industry
- For what job?
- Program Data (Bill)
 - Feedback from Advisory Board

5. Industry Update
