

CREDIT FOR PRIOR LEARNING PETITION REQUEST

CREDIT BY EXAM

Credit for Prior Learning (CPL) is college credit awarded for validated college-level skills and knowledge gained outside of a college classroom. By filling out this form you have verified that the course you are petitioning for is eligible for Credit by Exam. If your course is not approved, your petition cannot be completed at this time. If you do not see your course on any of the lists of courses approved for Credit by Exam on the CPL webpages, please reach out to lpc-priorlearning@laspositascollege.edu to see if the course may be available in the future.

Credit by Exam (CBE) allows a student to receive college credit for prior learning by demonstrating mastery of course outcomes—skills and knowledge—by taking the course exam(s). Some exams may require performance of a skill set, while other exams may be written tests covering course content. CBE requires students to pay for the class before the grade is recorded.

Please note that this form is intended for students petitioning for credit by exam only. Students wanting to petition for prior learning credit by way of portfolio, industry recognized training, or submission of their military joint service transcripts must do so by filling out the appropriate form. These specific forms can be found on the Las Positas College Credit for Prior Learning webpage, laspositascollege.edu/cpl/index.php.
