

Don't Forget! Summer Geometry @ LPC

Participate in the Early College Credit Program at Las Positas College and earn credits toward high school graduation! This summer's program will feature Geometry, taught by masters trained and industry experienced college faculty.

CONCURRENT ENROLLMENT DEADLINE — MAY 10, 2023

High school students who are interested in completing Geometry at LPC in summer 2023 must complete a two-step application process: 1) CCCApply and, 2) the Concurrent Enrollment application. Submit the Concurrent Enrollment application by, Wednesday, May 10, 2023. Click below to begin.

Apply Here

TIPS FOR APPLYING

- You must have a W# to complete. Please complete **CCCApply** first to obtain. Save a copy of this application and your confirmation number. If you have not received your W# via email within 48 hours, please contact lpc-admissions@laspositascollege.edu with your CCCApply confirmation number.
- When submitting the Concurrent Enrollment application, students must enter the name of the course (NMAT 256: Geometry), units (0) and prerequisite (NA).
- It is recommended that students also include the virtual concurrent support course: NMAT 202 C, units (0), and prerequisite (NA), even if they decided not to attend. This course cannot be added later.
- Concurrent Enrollment applications must be approved and signed by parents/guardians and a school designee before being routed to the College. This process can take about a week, so please complete your application in a timely manner.
- **Note: Before applying for this course, please consult with your high school to discuss whether you will receive credit toward your high school diploma. While this noncredit course has been approved for credit by some, however others may not accept this courses for credit.**

For more information, check out the [Early College Credit FAQs](#).

NEXT STEPS

Summer Geometry is a tuition free program. However, students will be expected to pay other student fees in the amount of \$38 at the time of registration. These fees cover access to health services, student government and advocacy, discounts for student activities and sporting events, and a Wheels Bus Pass.

For more information about concurrent enrollment, watch our information session here.

Please be on the lookout for our next communication about registering for classes!

IMPORTANT DATES & DEADLINES

- May 10 - Submit Concurrent Enrollment Application
- May 15 - Registration for Summer Opens
- June 12 - Classes Begin!
