Gear up for Summer Geometry @ LPC

Participate in the High School Credit Program at Las Positas College and earn credits toward high school graduation! This summer's program will feature Geometry, taught by master's trained and industry experienced college faculty.

APPLY FOR CONCURRENT ENROLLMENT

High school students who are interested in completing Geometry at LPC in summer 2023 must complete a two-step application process: 1) CCCApply and, 2) the Concurrent Enrollment application. The Concurrent Enrollment application opens on **March 13, 2023** and closes on May 10, 2023. Click below to begin.

[Apply Here](#)

TIPS FOR APPLYING

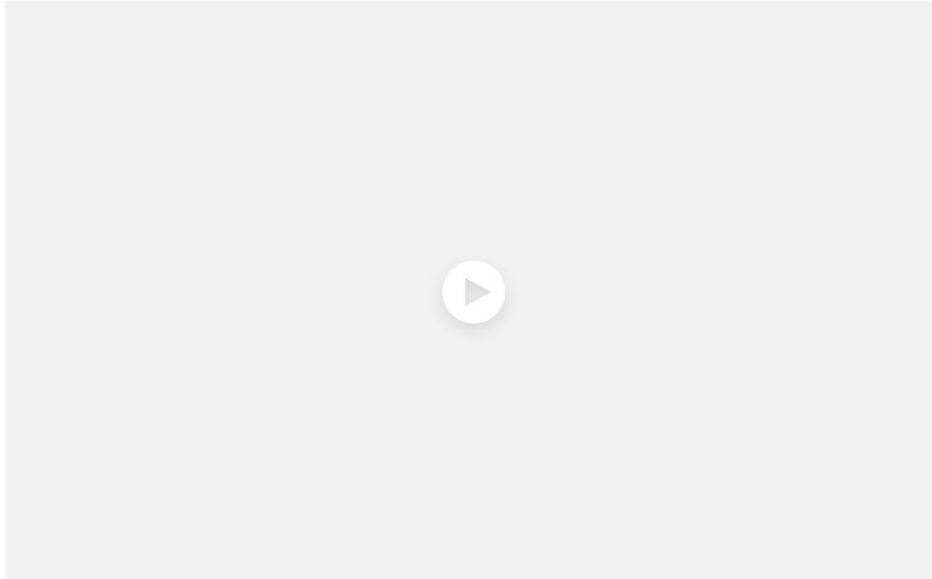

- You must have a W# to complete. Please complete [CCCApply](#) first to obtain. Save a copy of this application and your confirmation number. If you have not received your W# via email within 48 hours, please contact lpc-admissions@laspositascollege.edu with your CCCApply confirmation number.
- When submitting the Concurrent Enrollment application, students must enter the name of the course, units, and prerequisite:
 - NMAT 256: Geometry, 0, N/A
 - NMAT 202C: Concurrent Support for Math, 0, N/A
- Concurrent Enrollment applications must be approved and signed by parents/guardians and a school designee before being routed to the College. This process can take about a week, so please complete your application in a timely manner.

For more information, check out the [Summer Geometry FAQs](#).

NEXT STEPS

Summer Geometry is a tuition free program. However, students will be expected to pay [other student fees](#) in the amount of \$38 at the time of registration. These fees cover access to health services, student government and advocacy, discounts for student activities and sporting events, and a [Wheels Bus Pass](#).

View this Concurrent Enrollment Information Session for more details!
