

Helpful Hints

for Dual Enrollment Students

1

EMAIL ADDRESS FOR CCCAPPLY

Use a personal email address, as some of the district servers used may block communication from our college.

2

WRITE DOWN YOUR CCCID AND APP ID

WRITE DOWN your CCCID and your Application Confirmation Number in a safe space.

3

FILLING OUT CCCAPPLY

Carefully read each question. Certain combinations of answers can cause your application to be flagged as **"fraudulent."**

4

W#

YOUR W#

If you do not receive your W number within 24-48 hours, please contact us with your CCCID and App ID number.

5

COMPLETE THE ORIENTATION/GUIDED SELF-PLACEMENTS

Not completing these three sections **may cause an error message** to appear when registering for certain classes.

6

WHAT HAPPENS NEXT?

Dual Enrollment students will **register for their own classes** either through CLASS-Web, dualenroll.com or A & R (for CCAP).
