**PURPOSE OF THE ADVISORY COMMITTEE**

The Advisory Committee must be designated and charged with the responsibility of meeting at least annually to assist program and sponsor personnel in formulating and periodically revising appropriate goals and learning domains, monitoring needs and expectations, and ensuring program responsiveness to change, and to review and endorse the program required minimum numbers of patient contacts. [CAAHEP Standard II.B. Appropriate of Goals and Learning Domains]

Additionally, program-specific statements of goals and learning domains provide the basis for program planning, implementation, and evaluation. Such goals and learning domains must be compatible with the mission of the sponsoring institution(s), the expectations of the communities of interest, and nationally accepted standards of roles and functions. Goals and learning domains are based upon the substantiated needs of health care providers and employers, and the educational needs of the students served by the educational program. [CAAHEP Standard II.A.]

**Responsibilities of the Advisory Committee**

- Review and endorse the minimum program goal.
- Review and endorse the required minimum numbers of patient/skill contacts for each of the required patients and conditions.
- Verify that the Paramedic program is adhering to the National Emergency Medical Services Education Standards.
- Review Program performance based on outcomes thresholds and other metrics (at a minimum credentialing success, retention, and job placement).
- Provide feedback to the Program on the performance of graduates as competent entry level Paramedics (for employers).
- Provide feedback to the Program regarding clinical and field opportunities and feedback on students in those areas.
- Provide recommendations for curricula enhancements based on local needs and scope of practice.
- Assist with long range planning regarding workforce needs, scheduling options, cohort size, and other future needs.
- Complete an annual resource assessment of the program.
