

*Come Grow with Us at Las Positas College!* -

# ADAPTIVE HORTICULTURE

SUMMER PROGRAM for Students with Special Needs

Vocational Training ✿ Horticultural Therapy ✿ College Experience

**Tuesday–Friday ✿ July 18–21, 2017**

9:00 am–12:00 pm

**FREE**

**Tuesday** Get a campus tour, learn about landscaping, and practice pruning and plant propagation.

**Wednesday** Learn about plants, plant a flowerbed, and practice pruning and weeding.

**Thursday** Take a field trip to Sunflower Hill Gardens at Hagemann Ranch and learn about farming, growing plants for food, and urban agriculture. Harvest produce and enjoy the fruits of your labor!

**Friday** Prepare and install a new campus landscape and celebrate your achievements at a luncheon.

## Student Requirements

- ✿ Must be at least 18 years of age.
- ✿ Program is designed for individuals with mild to moderate disabilities.
- ✿ Interest in pursuing employment in the horticulture, landscaping, or viticulture industry.
- ✿ Access to transportation to and from Las Positas College.
- ✿ Access to home and agency support needed for successful program participation.

**Application deadline is Friday, June 30, 2017**

For information and applications, please contact **Frances DeNisco**,  
FDENisco@laspositascollege.edu (925) 424-1467.
