

ANALYSIS OF SENATE REASSIGNED TIME IN THE BAY 10, PART III

Email responses from current Faculty Senate Presidents:

MISSION COLLEGE

Hi Diane,

Our Senate reassigned time is a line item in the budget book and is not in our faculty union contract. Each college (Mission and West Valley) gets 0.800 per semester, or a total of 1.6 per year. We also get a \$5000 stipend each year to compensate the Senate President for work during the summer months. At Mission, the Senate President gets 0.500 per semester, and the remaining 0.300 is assigned to Curriculum. We give our Curriculum Chair 0.200 and the Curriculum Tech Review Chair 0.100. Not much, but because we can't negotiate it we are pretty much stuck. On occasion our Office of Instruction supplements the Curriculum reassigned time, but it's not a given and often doesn't happen. I hope you folks are in better shape!

Regards,

Thais

MERRITT COLLEGE

Hi:

Historically, Senate President has received .5 re-assigned time. No other allocation to Senate, including staff support. In the last two years, we have lobbied Chancellor and received an extra .7 allocation for the Senate, and we have made President .8, VP .2, Secretary .1, and treasurer .1. This is not part of the contract and may or may not continue.

HARTNELL COLLEGE

Hi Diane!

I would be happy to share!

As Senate President, I receive 60% release time. I have a First V.P. that receives 20% release, a Secretary/Treasurer that receives 10% release, and a CTE Liaison that receives 10% release.

As Senate President, I serve on nine committees/councils, handle Tenure Review (along with the 1st V.P.), sign off on all special projects, equivalencies, and grant applications, help to place all faculty on committees/councils/task forces, attend all BOT meetings and draft Board Reports, Chair Accreditation, and of course, set the agenda for/run all Senate meetings.

Will you share your research with me? Because I am interested in the results.

Thanks in advance and I look forward to hearing from you!

WEST VALLEY COLLEGE

Hi Diane,

At West Valley College, the Senate President gets 50% reassigned time and we have a 53% classified administrative assistant. There is no other reassigned time given to other officers. Actually, the only other officer is the Vice President. The section you're referring to in our contract is not referring to reassigned time. It's discussing the number of units the Academic Senate VP can claim towards our Professional Growth and Development program.

Good luck on this!

COLLEGE OF SAN MATEO

Hi Diane,

Here is the break down for CSM's senate:

- President – 0.4 FTE (6 units)
- Vice President – 0.2 FTE (3 units)
- Curriculum Chair – 0.4 FTE (6 units)
- Total – 1.0 FTE

Unfortunately, these reassignments are not in the contract (but we should probably do so).

I hope this helps and let me know if you need anything else,
