Craig Kutil presenting: MATH 65 series is Basic Skills therefore no GE requirements; not degree applicable; removed from the LPC-GE degree pattern; 1 level below college; 2 levels below transfer. MATH 47 is a new course and an alternative to statistics, business calculus; for non-STEM majors.

There is a suggestion from counseling to change the numbering of the MATH 65 series since the catalog states that numbers over 100 are non-degree applicable. Students have been having issues with the numbering. Mr. Kutil will bring up the topic at the next division meeting and report back.

- **MUS 38 (Applied Music, 1 unit, 1 unit lab)** – Course Modification: O, 4X, CSU. (Start date: Fall 2014)

Cindy Rosefield presenting: Revisions were started some time ago to update Title V and CID; a private lesson class that is repeatable 4 times as the CSU requires students to take it every semester. CSU transfer only; does not meet criteria for Area C.
