Approved Minutes

October 31, 2022 | 2:30 PM | Room 2414 & Zoom

This is a hybrid meeting, Room 2414 & Zoom

LPC Mission Statement

Las Positas College is an inclusive, learning-centered, equity-focused environment that offers educational opportunities and support for completion of students' transfer, degree, and career-technical goals while promoting lifelong learning.

LPC Planning Priorities

- ❖ Establish a knowledge base and an appreciation for equity; create a sense of urgency about moving toward equity; institutionalize equity in decision-making, assessment, and accountability; and build capacity to resolve inequities.
- ❖ Increase student success and completion through change in college practices and processes: coordinating needed academic support, removing barriers, and supporting focused professional development across the campus.

Note: APCL SLOs on agenda to be approved at a November SLO Committee meeting.

Brian Hagopian presenting.

- Sept CC meeting: He presented on Teamsters. This the same type of program.
- This one was at Fresno City College – 15 credit courses & the work-experience. It's by LiUNA!; and there are about 4,000 students currently.
- He attended Academic Senate last week to present.
- The job market is really good for these. It's very diverse too – 71% of laborers are people of color.
- Lots of people are retiring; and they also want people to move up to supervisory positions.
- There are 3 certificates. (They will be on a future CC agenda.)

Committee Comments:

- EB: Enrollment limitations: Adding more clarity
- EB: Work experience course: Up to 14 units. The 94 classes should be up to 8 units?
- CK's note: Title V is actually changing this.
 - The last sentence: In CNET, we can remove “cooperative” +delete everything after the comma.
 - *Note: Mary Lauffer should know what the numbers are / Title V changes.*

Credit Course Modifications

CHEM 29 (Independent Study, Chemistry): 0.5-2 Units. Letter Grade. Advisory Requisites: N/A.

Discipline: Chemistry. (Effective Date: Fall 2023)

Primary Modifications – Course Sequence, Measurable Objectives, Course Content

Chris Dudzik presenting.

- He modified a couple of typos.
- He added that students could also present a poster as well.
- It's designed per student. The instructor overseeing this makes a deal with the student based on what the student wants to do, what resources are available, etc. Thus, it is very equitable.

Committee Comments:

- CK: Has this been offered before? *Per CD: Yes, in 2019.*
- EB: It's pretty straightforward. He'd like to ask CC members: Is this what we should share with other faculty as an Independent Studies Template for other disciplines? “Here are some examples to consider.” Or maybe “As such, it will be tailored...”
 - > EWB: She just did one of these for HUMN, and she included content. EWB suggests giving examples – *Note to Liz: Maybe this could be in the Curriculum Handbook.*
- CK: There are many areas that can be tailored; we do not need to list them all.
- MS: This is something that people need to invent. We're still figuring out what it is.

THEA 47A (Performance in Production: Introduction to Live Performance): 3 Units (1 Lecture, 2 Lab).

Letter Grade or P/NP. Enrollment Limitation: Enrollment by audition only. Discipline: Drama/Theater Arts.

(Effective Date: Fall 2023)

Prerequisite: THEA 47A with a minimum grade of C. Enrollment Limitation: Enrollment by audition only.

Discipline: Drama/Theater Arts. (Effective Date: Fall 2023)

Primary Modifications – Units, Assignments, Grading Methods

THEA 47C (Performance in Production: Intermediate): 3 Units (1 Lecture, 2 Lab). Letter Grade or P/NP. Prerequisite: THEA 47B with a minimum grade of C. Enrollment Limitation: Enrollment by audition only. Discipline: Drama/Theater Arts. (Effective Date: Fall 2023)

Primary Modifications – Units, Assignments, Grading Methods

THEA 47D (Performance in Production: Advanced): 3 Units (1 Lecture, 2 Lab). Letter Grade or P/NP. Prerequisite: THEA 47C with a minimum grade of C. Enrollment Limitation: Enrollment by audition only. Discipline: Drama/Theater Arts. (Effective Date: Fall 2023)

Primary Modifications – Units, Measurable Objectives, Assignments, Grading Methods

THEA 56 (Acting for the Camera): 3 Units. Letter Grade or P/NP. Prerequisite: N/A (removing the Recommended Course Preparation). Discipline: Drama/Theater Arts. (Effective Date: Fall 2023)

Primary Modifications – Catalog Description, Advisory

Requisites, Measurable Objectives, Course Content, Texts, Grading Methods

THEA 57A (Introduction to Musical Theater): 3 Units (1 Lecture, 2 Lab). Letter Grade or P/NP. Enrollment Limitation: Enrollment by audition only. Discipline: Drama/Theater Arts. (Effective Date: Fall 2023)

Primary Modifications – Catalog Description, Units, Assignments, Methods of Evaluation, Typical Texts, Grading Methods

THEA 57B (Performance in Production: Beginning Musical Theater): 3 Units (1 Lecture, 2 Lab). Letter Grade or P/NP. Enrollment Limitation: Enrollment by audition only. Discipline: Drama/Theater Arts. (Effective Date: Fall 2023)

THEA 57D (Performance in Production: Advanced Musical Theater): 3 Units (1 Lecture, 2 Lab). Letter Grade or P/NP. Prerequisite: THEA 57C with a minimum grade of C. Enrollment Limitation: Enrollment by audition only. Discipline: Drama/Theater Arts. (Effective Date: Fall 2023)

Primary Modifications – Catalog Description, Course Content, Assignments, Methods of Evaluation, Advisory Requisites, Grading Methods

Titian Lish presenting.

- She decided to keep the courses at 3 units (1 lecture, 2 lab)
- It better reflects # of hours they're putting in – they'd done some auditing over the past couple years.
 - > They are aiming to do a bit less rehearsal to allow better work-life balance for students.
 - > They are also settling the proper compensation for instructors of these courses.
- One course: She removed a recommended course prep. Also, she added P/NP as an option.
- Enrollment: Audition update
- *Catalog Description adjustment [Per EB, Enrollment by audition only – add it back.]*
- *Note: Enrollment is for the duration of the production. Make sure that's consistent.*
- 56: Originally divided into 2 courses. It became clear after offering them several times that the content of the 1st level & 2nd level can be combined into 1 course. They've also noticed they had more available time in the course /things didn't take as long as anticipated. 2nd level being submitted for deactivation.

WLDT 10 (Machining for the Metal Trades): 4 Units (2 Lecture, 2 Lab). Letter Grade or P/NP.
Recommended Course Preparation: Basic Math Comprehension. Discipline: Welding. (Effective Date: Fall 2023)

Primary Modifications – Typical Texts, Advisory Requisites

Scott Miner presenting.

- He had a productive conversation with Chair Bell about equity-based considerations.
- Existing course, updating texts for recency. Added info in the equity section (incl. language / non-biased assessments). Math: Acts as a steep hurdle for many students to enter the class. WDLT faculty have decided that if people have any math deficiencies, they will bring them up to speed.
 - *SM's Request [following CC discussion]: Remove the Recommended Course Preparation.*

CPL Amendments

Here are two more Administration of Justice (AJ) C PL amendments by military equivalency.

AJ 64 (Patrol Procedures) or AJ 55 (Introduction to Correctional Science) or AJ 63 (Criminal Investigations). Military Course Title: Military Police Senior Leader (Effective Date: Spring 2023)

AJ 50 (Introduction to Administration of Justice) and AJ 64 (Patrol Procedures) and AJ 60 (Criminal Law) and AJ 63 (Criminal Investigation). Military Course Title: Military Police Basic Officer Leader-Branch (Effective Date: Spring 2023)

Meghan Swanson presenting.

- Per MS, Mike McQuiston had agreed that these met the requirements, per ACE.
- New website: Military articulation platform is being built out. She'd like to see us use it. We need to be able to do this in real time. A counselor should be able to sit/meet w. the student vet & upload their JST.

Committee Comments:

- CK: We're saying Spring '23... That's when students can start submitting, right? For some, the date should be much earlier. It really needs to be as early as that course was offered – how about Fall '22? It's effective within the same semester that it's getting approved? *Do we need to have an effective date?*
 - > CK: What would the effective date do for us?
 - > EB: E.D. demonstrates when we as a college decided to start offering these CPL amendments.
 - > JG: Would it negate the work someone did in a prior year? (EB: It shouldn't necessarily.)
 - Other articulation: Only approved if taken during the Effective Date or beyond?
 - > Folx think that we don't need to have an effective date.
 - > EB: Ok, so the approval evidence we will have is the [voting] date of the respective Minutes.
- KW: Town Meeting this week ~ She/MS will tag-team and do a grand reveal on the CPL webpage. (Note: The student will submit CPL request when they're doing their transcript evaluation with A&R.)

These six Core Courses [in the LPC Fire Officer Leadership and Management AS Degree] align with these State Fire Training Fire Officer Certification Courses and should be eligible for CPL:

FST 20 CO 2A (Human Resource Management for Company Officers): State Fire Training Identical Course - Company Officer 2A: Human Resource Management for Company Officers (Effective Date: Fall 2022)

FST 21 CO 2B (General Administrative Functions for Company Officers): State Fire Training Identical Course - Company Officer 2B: General Administrative Functions for Company Officers (Effective Date: Fall 2022)

FST 22 CO 2C (Fire Inspections and Investigation for Company Officers): State Fire Training Identical Course - Company Officer 2C: Fire Inspections and Investigation for Company Officers (Effective Date: Fall 2022)

FST 23 CO 2D (All - Risk Command Operations for Company Officers): State Fire Training Identical Course - Company Officer 2D All - Risk Command Operations for Company Officers (Effective Date: Fall 2022)

FST 24 CO 2E (Wildland Incident Operations for Company Officers): State Fire Training Identical Course - Company Officer 2E: Wildland Incident Operations for Company Officers (Effective Date: Fall 2022)

FST 25 (Instructor 1): State Fire Training Identical Course - Fire and Emergency Services Instructor 1: Instructional Methodology (Effective Date: Fall 2022)

Tim Adams presenting.

- State Fire Training (Office of the State Fire Marshall) offers a multitude of training. Some community colleges – LPC being one of the first – already have a degree program for this. They would like to include the nontraditional student /firefighter audience so they can encourage them to complete a degree comprised of content that many have taken [but not received college credit for]. It's 100% identical.
- Anyone who takes these all gets a certificate from the State Fire Marshall office.

Committee Comments:

- CK: We should add the language of the licensing body (*Per TA: "Office of the State Fire Marshall"*).
- CK: Recency ~ State fire training adopted this new training in 2017; LPC adopted it in 2020. Say "Since 2017." **Let's make this the Effective Date: 2017? (*We will confirm by the next CC meeting.*)
- EB/CK: Moving forward, let's revisit / determine what semester the newest version is effective.

Credit Course Deactivations

WLDT 72B (Intermediate Laser Welding): 3 Units (1 Lecture, 2 Lab). Letter or P/NP. Prerequisites: WLDT 72A with a minimum grade of C; may be taken concurrently. Discipline: Welding. (Effective Date: Fall 2023)

WLDT 72C (Advanced Laser Welding): 2 Units (Lab). Letter or P/NP. Prerequisites: WLDT 72B with a minimum grade of C. Discipline: Welding. (Effective Date: Fall 2023)

WLDT 80 (The Welding Business): 2Units (Lecture). Letter or P/NP. Prerequisites: WLDT 61AL with a minimum grade of C or WLDT 62AL with a minimum grade of C. Discipline: Welding. (Effective Date: Fall 2023)

Scott Miner presenting.

- None of these have been offered in the last 3 years. They are reworking their curricula to offer more stackable certificates and better align coursework with the workplace /industry standards.

-They have upwards of 25 courses. They want to trim down their offerings.

Committee Comments:

-CK: Updating the certificates that these are a part of too? *Per SM: Yes, absolutely.*

Corrections

Remove these from CPL Amendments inventory:

AJ 64 (Patrol Procedures). Military Course Title: Military Police Senior Leader (Effective Date: Spring 2023)

Discussion Items

- Designation of a subgroup to look at META as our upgraded curriculum inventory tool Kristina Whalen
 - CK does not think it's as customizable as our current CNET version – he saw a META demo 3 years ago. He's more supportive of Course Leaf.
 - Volunteers? - Craig, Angela, Erick, Liz, Andrea, Kristina
 - CK: Is a CourseLeaf demo possible too? (*Liz will investigate.*)
 - Per MS: How about a spring meeting for an all-CC demo?
 - CK agrees. The Jan. '23 meeting should be light. (*Liz: Add to the 01/30 agenda.*)

Reports

- **Vice President’s Report** – N/A Kristina Whalen
- **Chair’s Report** Erick Bell
 - CC Schedule: As of now, we have a meeting on 11/7, but not 11/21.
 - As a Committee, we could decide to have an 11/21 meeting [Thanksgiving week].
 - CK would prefer that we hold the 11/21 meeting.
 - SD agrees, as does EWB and AA. And AA thinks that folx wouldn’t be of the mindset to submit proposals sooner. Also, many could join via Zoom!
 - Otherwise, we may need to hold an additional meeting on 12/12.
 - Consensus: Yes, let’s meet on 11/21. (*Liz will send a calendar invite.*)
 - Per Academic Senate, we are continuing to meet in a hybrid modality.
 - Also: We have a new Academic Senate president, Sarah Thompson. Tracey Coleman will be starting a new Dean position at Chabot; we wish her the best.
 - He shared a letter that he has drafted to send to textbook publisher McGraw Hill.
- **Articulation Officer’s Report** Craig Kutil
 - He is the official LPC delegate at Plenary /debate & voting.
 - The president would like him to clarify things about CalGETC.
 - But we’ll have to agree with whatever they choose.
 - Oral comms: ENG composition prereq was the agreement.
 - Math quantitative reasoning updates, incl. Personal Finance, are not counting.
 - Activity-based arts courses do not count for IGETC, and will not count for CalGETC.
 - Similar: Social & behavioral -- Not 2 HIST / 2 SOC courses; only 1 can count.
 - Proposed local GE pattern that will be voted on, and people do not like it. It says only transfer-level Math can count – this would harm CTE programs. It would change from Math proficiency to becoming a required course. Also: Ethnic Studies to become a GE. **** If you have any thoughts on this, please email Craig. ****
 - We should have a subcommittee / task force to discuss this, e.g., in SP ’23 (*future agenda*)
 - Other campuses have already started meeting about this.
 - One member of the CC for each disciplinary area, etc.
 - Change to Health Science ADT soon.
 - We have to start proving that any CALC prereq is necessary for a STEM major. -
Something was added to AB 705. The Math Dept. is meeting about this.

Good of the Order – N/A

Adjournment at 4:36 pm Erick Bell
