5. First Reading ([see Attachments](#))

5.1. New Courses

- PCN 20 Thriving in College (effective Fall 2026)
 - Rafael Valle: Per the Puente State Mandate, we offer a 3-unit course in FA, 1-unit in SP; with Cal-GETC there is a new requirement of 2-unit course in FA, 1-unit in SP (PCN 18), PCN 20 will be the new course for FA.
 - Craig Kutil: this may not be approved to be UC transferable because it is less than 3-units
 - Repeatability – needs to be revised to “1” time for credit.

5.2. Course Modifications

- CMST 46 Argumentation and Debate (effective Fall 2025)
 - This is the same CORE we already saw and approved; Denied Area 1C, but we can resubmit for Fall approval. Edits to Course Objective #1, Content #6, and typical assignments.
- HIST 1 Western Civilization to 1600
- HIST 2 Western Civilization since 1600

 - Add: language about course units
- **CCP 1080 Program Approval Elements - New**
 - Approval of Program Narrative based on type; Local Program Need, CTE, or Transfer
- **CCP 1090 Program Completion and Graduation Requirements - New**
 - Discussion: Re: “12-units of residency” - “residency” can now be defined as the whole district not just limited to LPC. Do we want to revise our catalog language to define “residency” as the whole district (like Chabot), and if so, do we want to require some units/courses be taken here at LPC?
 - Proposed - Keeping 12-unit requirement for residency at LPC. For Certificates, at least one course at LPC.
- **CCP 1040 Associate Degree General Education - Modified**
 - Discussion: Committee members went back to their divisions and gathered the following information:
 - A&H – mostly in favor of Option 3
 - BSSL –
 - PATH – mostly in favor of Option 3
 - STEM – mostly in favor of Option 1 or 2
 - SS – mostly in favor of Option 1
 - LPCSG – mostly in favor of Option 1 or 2
 - Collectively committee members leaning toward adopting Option 1 - Area 1A and 2 be completed with a grade of “C” or higher.

7. Discussion Items ([see Attachments](#))

7.1. Phase III of Common Course Numbering

- Recommended list of courses for Phase III: AJ, ART, BIO, BUSN, CMST, ECE, ESL, HIST, MATH, MUS, PHIL, POLI, PSYC, SOC

7.2. Minimum qualifications for Non-Master degree disciplines

- Currently there is no guidance outside of needing degree/certification and professional experience in the min qual handbook; we don't have any expectation of what instructors need to teach the course. Do we want to provide more detail/our expectations to teach our courses? Ex. FST at other college requires FESHE certification. We could add this section to the discipline page asking if there is any specific license requested to teach the course.
- Committee discussed and decided this would be beneficial to add

8. Reports

8.1. Vice President's Report

- We are working on communication regarding Common Course Numbering, starting in Fall 2025. There is a team working together to get this information out to campus to help students plan their FA25 schedules. If you have any ideas for this process, please provide feedback to Craig.

8.2. Chair's Report

- DegreeWorks updated by 4/1
- New Automotive Apprenticeship coming soon
- Half of Phase II Common Course Numbering courses are ready but will not be released until next semester with an effective term of Fall 2027

8.3. Articulation Officer's Report

- CalGETC language for Area 2 updated but will not include anything about math for educators, Area 5 will propose more specific classes acceptable to take to satisfy the area ex. two CHEM classes; Cal-GETC for STEM - working on getting this in handbook, this will include more defined partial certification rules.

9. Good of the Order

10. Adjournment at 4:39 p.m.
