

Hello, and thank you for applying for Professional Development funding for your activity. The application packet is attached.

The committee meets the second Monday of each month; the packets must be completed and turned in to Jennifer Farber by 5:00 pm the first Monday of each month for committee consideration. Out of state travel requires Chancellor approval, and out of country travel requires board approval – please plan accordingly.

The current funding level per request is up to \$750.

Activity Proposal Form: please have your dean or supervisor sign. For guidelines on eligibility, please go to the Professional Development Committee website.

Itemization of Activity Expenses: please note that the mileage is to and from LPC, not your home, and there is a maximum food allowance. Per diem allowances are only reimbursable for travel that is 45 miles or more from LPC or room .

. **Conference Leave Request Form:** you must complete and submit this form to your Dean for approval to attend the conference. The Dean, VP, and President must sign this form before full approval is granted. Out of state conferences will require the Chancellor's approval. Out of the country conferences will require the Board's approval. Please note your Dean may require supporting documents with your conference form. This may include, but is not limited to, the documents you include with your PDC packet. If you require substitutes for your class(es), be sure to indicate that on the form.

4. **Conference Expense Claim Form:** in order to receive reimbursement for conference-related expenses, a Conference Expense Claim Form must be filled out and submitted to your Dean. Include all charges incurred for the conference, as well as itemized receipts with proof of payment. Current mileage rates can be found [here](#). Please submit your Expense Claim within 30 days after the conference. These forms, and more information, can be found [here](#). For questions regarding the conference approval and expense claim process, please email lpc-businessoffice@laspositascollege.edu.

Please contact me with any questions, *Jennifer*

Professional Development funds may be used according to AB 2558. Check the following AB 2558 categories that apply to your proposed activity and include a brief explanation (additional pages may be attached as needed):

- Improvement of teaching
- Maintenance of current academic and technical knowledge and skills
- In-service training for vocational education and employment preparation programs
- Retraining to meet changing institutional needs.
- Intersegmental exchange programs.
- Development of innovations in instructional and administrative techniques and program effectiveness.
- Computer and technological proficiency programs.
- Courses and training implementing affirmative action and upward mobility programs
- Other activities determined to be related to educational and professional development pursuant to criteria established by the Board of Governors.

Brief description of how your activity meets the above AB2558 Guidelines:

Please fill out this page **completely**. Your responses will assist the Professional Development Committee with evaluating your proposal for approval. (This is not the required one page summary)

1. Describe how this activity ties in to your Program Review. Optional: Identify sections/pages of your Program Review that supports your staff development funding request.

2. Objectives and rationale of the proposed activity:

3. How will this proposed activity benefit the college?

4. How do you plan to share what you have gained from the proposed activity with the college community, (i.e., present information at town meetings, division meetings, brown bag lunches, workshops, etc.)?
