

CARING CAMPUS IN ACTION!

LPC Cares, We are Here for You

THREE BEHAVIORAL COMMITMENTS

Nametags

Wear name badges or lanyards with the college name on them so that students will know who to approach with questions.

Cross-Department Awareness

Learn about other departments so you know where to send students. Maintain accurate and up-to-date detailed directories.

Warm Referrals

Call ahead or walk student to the office they need to get to. Follow up to ensure the student got there.

The Institute for Evidence-Based Change (IEBC) created Caring Campus based on research that shows students who feel more connected to their college are more likely to be retained, persist from semester to semester, and complete their academic goals.

LPC Caring Campus (CC) Ambassadors identified behavioral commitments to be implemented intentionally and campus-wide. Following identification, LPC CC Ambassadors developed implementation, monitoring, and communication plans.
