Honors Transfer Program and the Partner Universities

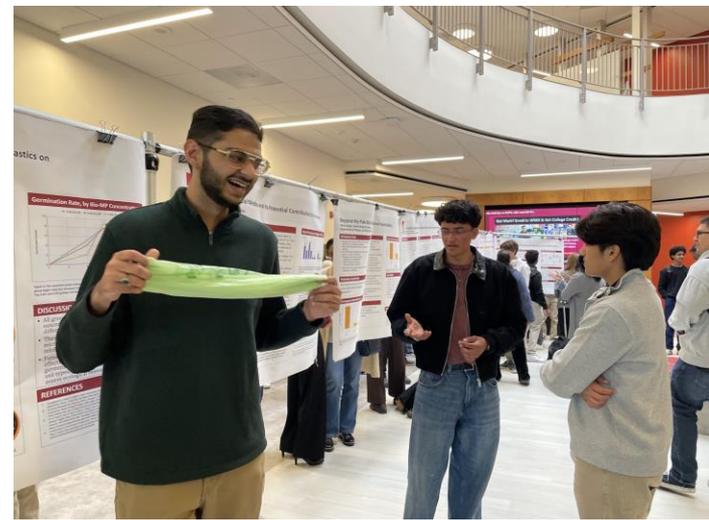

UCLA
TAP

91% (as opposed to 23%) UCLA
acceptance rate of our students
in Spring 2024

What Do the Partner Universities Want?

- diverse underrepresented and underserved population of community college student
- students who are well prepared and not going to struggle after transfer

What Should Our Honors Program Provide?

- Educational Opportunities to prepare selected students for upper division advanced courses in top 4-year-universities.
- Proof that the students are indeed well prepared

WHAT DO THE UNIVERSITIES TAKE AS A PROOF?

- AT LEAST 5 HONORS COURSES WITH STANDARDS EQUAL TO THEIR OWN COURSES

WHAT DO THE UNIVERSITIES PROMISE:

- PRIORITY OR GUARANTEED ADMISSION
- ACCESS TO SCHOLARSHIPS, GRANTS, GUARANTEED HOUSING AFTER TRANSFER

WOULD ONE HONORS COURSE STILL HELP?

- YES

Big Dreams. Bright Futures. Limitless Potential.

Las Positas College students are transferring to the nation's top universities—including Stanford, Yale, Columbia, and top-tier UC campuses across the state — while saving tens of thousands on their education. With the region's highest transfer rates to UCLA and UC Berkeley, guaranteed transfer to 40+ other universities, small classes, and low tuition, Las Positas College is where big futures —and limitless potential—begin.

Start here. Save big. Go anywhere.

Honors Contracts

PROs

- Perfect for single students
- No planning/prepping

CONs

- Difficult to keep track of multiple students
- No Plagiarism Checks
- Hit and Miss with Students Selection
- Hit and Miss with Topics
- Limited to Projects
- Stricter requirements and due dates - need approval.

Embedded Honors

Components with Canvas

PROs

- Easy to serve multiple students from multiple courses
- Requirements/type of work are up to the Instructor/Discipline
- Better student selection: (1) bigger sample to start from; (2) chance to add students later
- Plagiarism checks are embedded
- More Options for Student Interactions/Group Check-ins

CONs

- Involves Preparation
- Extra Canvas Course/Assignments to worry about

LPC Honors Program Website

Welcome to Honors Psychology!

This Canvas site will provide an opportunity for you to earn Honors Credit for your regular course. This is in no way a substitution to your regular course, this is an additional Embedded Honors Course Component. **You still have to complete everything in your regular course and earn a grade of B or higher to add the Honors Credit.** If you have any questions about the Honors Program or Honors Requirements please check the [Honors Program Website](#). Keep in mind that you have to be part of the LPC Honors Program to earn Honors Credit for any course, so **if you have not done it yet on the Honors Program website, please do it now:**

How to Use the Model Honors Canvas Shell

- A **Manual** is included in the Honors Canvas FILES
- **Forms in Module 1** – just for the Program to keep track – they replace the Contract – **NO CONTRACT IS NEEDED**
- **Reuse** the same Honors Canvas shell for the following semesters:
 - Remove current students in PEOPLE
 - Adjust the due dates (will receive suggested schedules)
 - Clean all discussions and announcements
 - Use the Enroll Link in the Settings to add new students – can post it on syllabus or in first announcements, or email to students.

How to Become Honors Certified Faculty to offer an Embedded Honors Course

- Sign up** (QR code to the right) to receive a Model Honors Canvas Shell (ready to be used)
- Complete an Honors **orientation**. (*You just did this part! And you can always get a refresher on Honors Faculty Hub Canvas asynchronously too.*)
- Adjust the Honors Canvas Model Shell and have it checked by the program.
