### **LPC Teaching Institute**

Since Spring 2017, the LPC Teaching Institute (TI), has been led by a team of LPC faculty members who organize and invite full and part-time faculty members to gather once a semester at an off-campus site, share a meal, and discuss best practices. The TI encourages a spirit of innovation, support, and community amongst LPC teachers, giving participants an opportunity to engage in interdisciplinary discussions on effective teaching methods and strategies that will support the needs of all students across the curriculum.
