

Instructional Equipment Request (IER) Form

FY 2023-2024

Title of Submission:	Photography/Video/Audio IER
----------------------	-----------------------------

Please review all information carefully to ensure timely processing. More information can be found [here](#).

Deadline	Action
10/11/2023	IER forms due to Division Dean
10/18/2023	Division review of IER forms (Dean & VP signature)
10/20/2023	IER forms due to Executive Assistant of Administrative Services (with Dean & VP signature)

Checklist

- ☒ All IER form fields complete
- ☒ Valid quote attached to submission (must be attached before submitting form)
 - **Shipping, installation, and tax** are required on the quote, whenever applicable. This must be provided by the vendor themselves. **Do not split quotes or submit duplicate quotes.**
 - **IMPORTANT:** To comply with state law, purchases between \$ 30,000.00 and \$ 109,299.99 require 3 quotes from 3 different vendors. We're required to proceed with the cheapest option unless a compelling argument can be provided for a more expensive option. If your request is approved, you will be notified *via email* to obtain an **updated quote, two additional quotes**, and complete a [requisition](#) form. Please monitor your email closely throughout the fiscal year as we **cannot** proceed with your request until these quotes, and any additional requirements, are provided.
 - Purchase requests of \$ 109,300.00 or more must go out for bid* (aka RFP process) and then go to Board for approval. You will be provided further instruction via email after your request is approved.
 - For assistance with quotes, please contact Bill Pagano at bpagano@clpccd.org or (925) 485-5271.
- ☒ IER form, with quote, signed and submitted to Division Dean including:
 - Quote (required)
 - [New Vendor Application](#) (if new vendor)
 - Copy of [W9](#) (if new vendor)

***Bid Process:** Purchasing submits RFP & selects cheapest bid → Requestor submits [Requisition](#) → Business Office enters Requisition in Banner → Requestor submits Board packet with copy of entered Requisition.

IER Process Flow

1. Completed packet signed and submitted to Division Dean
2. Dean reviews and forwards to Vice President
3. Vice President reviews and forwards to Executive Assistant of Administrative Services
4. Executive Assistant logs requests and forwards to M&O and IT for review
5. RAC reviews and scores requests
6. Executive Assistant combines committee scores into final rankings for final RAC review
7. RAC Chair meets with College President to discuss ranked requests
8. College President issues approval memo to RAC
9. RAC notifies requestors via email of approved requests and additional steps (e.g. additional quotes, board, etc.)
10. RAC submits IER forms to Business Office for processing
11. Business Office reviews requests, enters into Banner, and forwards to Purchasing
12. Purchasing will assist with requests that must go out for bid and requires board approval (requestor will be notified)

Instructional Equipment Definitions

Allowable Items

Allowable Items: Instructional equipment expenditures are eligible if the equipment, library material, or technology is for classroom instruction, student instruction or demonstration, or in the preparation of learning materials in an instructional program. There are five categories that will be used to classify instructional support. Please note that requests are not limited to the examples shown below.

1. **Equipment and Furniture:** instructional equipment and furniture for primary use by students in instructional programs:
 - a. Classroom/laboratory equipment including whiteboard, screen, projector, etc.
 - b. Instructional furniture including desks, tables, podium, chairs, etc.
2. **Information Technology:** instructional information technology equipment for student use in classrooms and/or laboratories including desktops, laptops, monitors, printers, servers, network/wireless infrastructure, AV/TV, multimedia.
3. **Software:** software licenses are allowed but only the initial year is permitted. Other software that are permitted are those that are used in excess of one year and software modifications that add capacity or efficiency to the software that defers obsolescence and results in an extension of the useful life of the software, including registration, counseling, student services, learning management systems for student use.
4. **Adaptive Equipment:** adaptive equipment for ADA/OCR students are allowed to assist them in a learning environment.
5. **Library Material:** databases, online subscriptions, books, periodicals, videos, etc.

Non-Allowable Items

Non-Allowable Items: Administrative or non-instructional purposes including equipment being used for administrative or non- instructional purposes is not allowed, including photocopiers, file cabinets, bookcases, computers, networking infrastructure, software licenses.

IE Rubric

RAC evaluates each IE request based on the rubric below. RAC stresses the importance of quality requests. RAC may choose not to rank incomplete IE requests.

Criteria	Strong Evidence	Adequate Evidence	Limited Evidence
LPC Mission & Planning Priorities [Section 2] (5 points) Ranking Scale	Clear and compelling evidence/data that equipment will fully support LPC Mission and Planning Priorities. 4-5	Clear evidence/data that equipment will fully support LPC Mission and Planning Priorities. 2-3	Limited or no evidence/data that equipment will support LPC Mission and Planning Priorities. 0-1
Educational Items: Programmatic Impact and Institutional Support [Section 3] (10 points) Ranking Scale	Clear and compelling evidence/data (as stated in program review) that this equipment will have substantial impact on program curriculum. 8-10	Clear evidence/data (as stated in program review) that this equipment will have substantial impact on program curriculum. 4-7	Limited or no evidence/data (as stated in program review) that this equipment will have an impact on program curriculum. 0-3
Teaching & Learning [Section 4] (10 points) Ranking Scale	Clear and compelling evidence/data that equipment provides much needed or beneficial enhancement to instruction. 8-10	Clear evidence/data that equipment provides enhanced instruction that is not met through current means. 4-7	Limited or no evidence/data that equipment provides enhanced instruction that is not met through current means. 0-3
Outcomes [Section 5] (5 points) Ranking Scale	Clear and compelling evidence/data that equipment will support course and/or program outcomes above and beyond current capability. 4-5	Clear evidence/data that equipment will support course and/or program outcomes beyond current capability. 2-3	Limited or no evidence/data that equipment will support course and/or program outcomes beyond current capability. 0-1

Instructional Equipment Request Form

Name of Requestor: Horvath, Deanna

Division: A&H

Discipline: Photography

This Equipment Request is: An Upgrade

SECTION 1: Equipment Description

Describe the specific equipment requested and how it will be used to replace, upgrade, or provide new technology to LPC from what is currently in place:

Equipment Location

Building #: #700

Room #: #703

Comments:

The equipment will include 6-Canon 8Ti cameras, 6-Nikon Zrc mirrorless cameras will enable the Photo students to improve work by using mirrorless cameras. Students would also have access to a collection of lenses that would allow them opportunities to shoot more compelling images. The flashes/strobes are essential tools for shooting many subjects and giving the student needed tools. Video students will also be able to improve group learning of video in the classroom and during homework. Additionally, the audio equipment including Microphones, Zoom field Recorders, Boom Poles and miscellaneous accessories will give the video students the ability to capture quality audio for video productions.

If applicable, describe the legal requirement, mandate, or safety concern related to the purchase of this equipment, making specific reference to legal requirements or regulations:

The equipment makes it easier to photograph and produce video that gives students the ability to express themselves and their individual stories. The equipment uses better energy for the batteries and processes.

SECTION 2: LPC Mission Statement and LPC Planning Priorities

LPC Mission Statement

Las Positas College is an inclusive, learning-centered, equity-focused environment that offers educational opportunities and support for completion of students' transfer, degree, and career- technical goals while promoting lifelong learning.

LPC Planning Priorities

- Establish a knowledge base and an appreciation for equity; create a sense of urgency about moving toward equity; institutionalize equity in decision-making, assessment, and accountability; and build capacity to resolve inequities.
- Increase student success and completion through change in college practices and processes: coordinating needed academic support, removing barriers, and supporting focused professional development across the campus.

Explain how the equipment supports LPC's Mission Statement and Planning Priorities:

Mission statement is supported by allowing the student the opportunity learn and produce content that shows their diversity. The knowledge base allows our students a chance to learn and practice the skills that can help them in their careers. LPC Planning Priorities will improve student success by giving them the opportunity to use the tools to tell their stories. By telling their stories within their classes, they will be able to share their unique experiences.

SECTION 3: Educational Items | Program Review

Specify the educational programs the equipment supports:

The programs include the Photography Program, including the video classes. The students that take photo classes also include Graphic Design and Digital media, Journalism, and Film Studies

Is the equipment part of an upcoming Program Review? Was it included last year? If not, why? Use language from your Program Review to explain:

It will be in the next Program Review. I had a stroke and couldn't complete last year's PR.

SECTION 4: Teaching and Learning

Please use evidence and data that describes how the equipment provides enhancements/benefits to the current level of teaching capabilities:

The cameras include mirrorless technology that teachers need to learn and share. The Canon cameras shoot not just photos, but also can video as well. Getting a chance to use flash/strobes on camera The teachers learning how to use audio Mics, Boom Poles, field recorders will be interesting and fun. Having a chance to learning on new equipment will be an important part of the teaching in the classroom.

Detail the impact the equipment has on learning:

The equipment will include 6-Canon 8Ti cameras, 6-Nikon Zrc mirrorless cameras will enable the Photo students to improve work by using mirrorless cameras. Students would also have access to a collection of lenses that would allow them opportunities to shoot more compelling images. The flashes/strobes are essential tools for shooting many subjects and giving the student needed tools. Video students will also be able to improve group learning of video in the classroom and during homework. Additionally, the audio equipment including Microphones, Zoom field Recorders, Boom Poles and miscellaneous accessories will give the video students the ability to capture quality audio for video productions.

Please state the number of classes and students the equipment will impact:

Classes/Sections: 12	Students: 240
-----------------------------	----------------------

SECTION 5: Student Learning Outcomes (SLOs)

Document how the equipment will enable you to surpass your current Student Learning Outcomes:

Photography-Make it easier to take more sophisticated images.

PHTO50 - Introduction to Photography

- Demonstrate the three basic elements of photography awareness (framing, lighting, background) while shooting a single subject (i.e. person, bike, tree) from a variety of angles, formats (vertical, horizontal) and approaches (long, medium, close shot).

PHTO51A - Individual Projects A

- Produce a portfolio of photographic prints demonstrating proficiency with film-based darkroom or digital, computer-based equipment.

PHTO56 - Intro to Digital Photography

- Demonstrate the effective use of techniques used to control and enhance a given captured digital image, i.e. levels, contrast, hue/saturation.

PHTO57 - Intermediate Digital Photo

- Create a printed hard-copy portfolio of class assignments.

- Create an online portfolio of pho

PHTO64A - Artificial Light Photography

- Produce portraits using various poses, light patterns and light ratios.

VIDEO-PHTO58/69-Using new cameras and audio set-up with mics, field mixers, headphones will make it easier to capture both video and audio.

Introduction to Videography

- Successfully use an industry-standard digital video editing program to produce completed video projects combining video, sound, and titles

SECTION 6: Total Cost of Ownership | *Maintenance and Sustainability*

Does the new equipment replace older equipment? If so, will you retire/surplus the old equipment? If not, where will you store the older equipment and what are the associated storage costs?

The camera equipment is more sophisticated and will be in use alongside current equipment. Older equipment will be stored in the check-out.

Detail how the equipment meets or exceeds [LPC's Sustainability Efforts](#):

The equipment uses re-usable batteries.

How does the equipment provide renewal resources to the college?

The equipment has rechargeable batteries

Operator

Primary operator:	Horvath, Deanna		
Does the work align with current position duties?	Yes		
Cost to train primary operator:	100.00		
Approx. # of hours equipment will be used per month:	36		
Comments:			

Maintenance and Repairs

Who will perform maintenance and repairs?	Horvath, Deanna		
Estimated hours per month:	2		
Does the work align with current position duties?	Yes		
Cost to train for maintenance and repairs:	0.00		

SECTION 6: Total Cost of Ownership | *Maintenance and Sustainability (cont'd)*

Lifespan of Equipment: 5 years

FOAP (Budget) for Recurring Costs:

Fund

Org
