

STUDENT EQUITY & ACHIEVEMENT COMMITTEE MEETING AGENDA

LPC Mission Statement

Las Positas College provides an inclusive, learning-centered, equity-focused environment that offers educational opportunities and support for completion of students' transfer, degree, and career-technical goals while promoting life-long learning.

Equity Mission Statement

Las Positas College will achieve equity by changing the impacts of structural racism, ableism, homophobia, and systematic poverty on student success and access to higher education, achieved through continuous evaluation and improvement of all services. We believe in a high-quality education focused on learning and an inclusive, culturally-relevant environment that meets the diverse needs of all our students.

Equity Operational Definition

Equity is parity in student educational outcomes. It places student success and belonging for students of color and disproportionately impacted students at center focus.

Fall Semester 2022 Meetings

- September 15
- October 20
- November 17
- December 15 (tentative)

Priority 1: Student Access

- Simplified, more equitable student hiring practices (including eliminating student employee/intern parking fees)
- A comprehensive registration support mechanism
- Consistent online service center staffing (computer room next to A&R)
- Partnership with an organization to create a "Career Closet" to help struggling students get professional clothing for job interviews, etc. We want a partnership because we don't want become a Goodwill.

Priority 2: Student Skills

- Teaching students best practices for navigating content across multiple platforms. Possibly a student "Flex Day"
- Skills-building/Academic coaching (maybe our Guided Pathways Success Teams can serve all/part of this function?)
- Looking at all the systems (aside from hiring) our students interact with and audit them for ease of user experience.
- Find multiple ways to re/emphasize the "big why" of their education.
- Possibly recording Smart Shops in bite-sized "fast food" portions so students can get the lesson and skill build, even if they did not attend a particular smart shop session.

Priority 3: Student Connection and Belonging

- More efficient and relevant communications to students (connecting with them via multiple channels: social media, the screens in the common areas, etc.)
- More effective advertising for Umoja, Puente, and the BCRC
- Student listening sessions to hear, directly from the students, what they need from us
- SEA eLetter for staff to better shift us all
