LPC Mission Statement

Las Positas College provides an inclusive, learning-centered, equity-focused environment that offers educational opportunities and support for completion of students' transfer, degree, and career-technical goals while promoting life-long learning.

Equity Mission Statement

Las Positas College will achieve equity by changing the impacts of structural racism, ableism, homophobia, and systematic poverty on student success and access to higher education, achieved through continuous evaluation and improvement of all services. We believe in a high-quality education focused on learning and an inclusive, culturally- relevant environment that meets the diverse needs of all our students.

Equity Operational Definition

Equity is parity in student educational outcomes. It places student success and belonging for students of color and disproportionately impacted students at center focus.
