The President's Monthly Report to the Board of Trustees, Campus, and Community

Dr. Dyrell Foster, Las Positas College President

August 2024

Welcome to the Fall Semester

Las Positas College was happy to welcome on to campus students, faculty, and classified professionals for the start of the fall 2024 semester.

The Welcome Center setup a tabling extravaganza, coordinated by Josue Hernandez, Program Coordinator for Student Life & Leadership, and student government officers. There was tabling from student clubs, the Student Health Center, Caring Campus, Financial Aid, the Honors Program, and the Basic Needs Department - Mini Market.

In addition to the Welcome Center tabling, booths at each end of campus were staffed by LPC Administrators and

Outreach Specialist. At these booths students were offered snacks, directions, and information on LPC programs and services.

Classified Professionals 2024 RETREAT

On Thursday, August 8th, the 2nd annual Classified Professionals Retreat was hosted by the Las Positas College Classified Senate. The event began with breakfast and informational booths from financial institutions, followed by a leadership keynote address and team-building workshop led by Dr. Geisce Ly. With 13 years of experience in the California Community College system, Dr. Ly offered insights from working in two community college districts with diverse needs and unique challenges.

During the afternoon session, the Classified Senate and SEIU presented the goals for fiscal year 2024-2025, emphasizing the essential role of Classified Professionals in shared governance. The day concluded with a Caring Campus debrief, a Q&A session, and a raffle.

A heartfelt "THANK YOU" to the Classified Senate for their dedication in organizing and hosting the retreat.

LPC Mission

Las Positas College is an inclusive, learning-centered, equity-focused environment that offers educational opportunities and support for completion of students' transfer, degree, and career-technical goals while promoting lifelong learning.

College Planning Priorities

Establish a knowledge base and an appreciation for equity; create a sense of urgency about moving toward equity; institutionalize equity in decision-making, assessment, and accountability; and build capacity to resolve inequities.

Increase student success and completion through change in college practices and processes: coordinating needed academic support, removing barriers, and supporting focused professional development across the campus.

Establish a knowledge base and appreciation for health and wellness in the workplace; create a sense of urgency about wellness; prioritize wellness in decision-making, assessment, and accountability; and build capacity to support wellness.
