Administrative Unit Program Review
Facts, Organization, and Definitions

Facts:
- Administrative Program Review will be completed by each of the following units, following the template, and include the listed areas
- Administrative Program Reviews will be due after the Instructional/Student Services Program Reviews; this will ensure that information from Instructional/Student Services Program Reviews can be incorporated into the Administrative Program Reviews if applicable. In addition, it's anticipated that information from Administrative Program Reviews can be utilized in time to contribute to various fiscal meetings such as RAC prioritization for positions and equipment.
