

Program-Set Standard for Course Success Rates Data Used to Evaluate Academic Year 2021-22

Updated: 8/4/22

This table is a summary view of the course success rates for the latest academic year compared to the previous five academic years. A program is considered to have met its program-set standard for course success rates if success rates in the "Evaluation Year" meet or exceed the "Threshold Rate" (i.e. 95% of a five-year rolling average). Program-set standards are only calculated for programs with enrollments in the Evaluation Year.

More data and visualizations can be found on our website: <http://www.laspositascollege.edu/research/outcomes.php>

NOTE: "✓" = meets standard; "X" = does not meet standard; "!" = barely meets standard
