

Las Positas College Transfer Rates

2004-05 to 2014-15 Entering Cohorts

Las Positas College students transfer to four-year colleges at consistently higher rates than students at all California Community Colleges. Moreover, Las Positas College African-American and Latino students are more likely to transfer than their counterparts at all California Community Colleges combined. The charts below show transfer rates of students after six years of entering community college who earned 12 units or more, and attempted transfer-level math or English.
