

LAS POSITAS COLLEGE STUDENT SERVICES

YEARBOOK

2025

WE LOVE Student Services!

And it's all because of the AMAZING faculty, classified professionals and administrators who go over and above to support our LPC students every day.

The start of the fall semester is always an exciting time, filled with new opportunities and the promise of growth and achievement.

As we prepare to embark on another academic year, let's take a look back at some fun and memorable moments from last year.

Don't forget to get autographs from your colleagues to remember them.

Thank you for your hard work and dedication. Let's make this fall semester a remarkable one!
