GUIDANCE

Advice from Regina...

Current officers may seek guidance from prior SVO members (ex. Jovan Pierre, Dominic Provenzola, Antonio Sandoval, Keoki Partridge).

MEETINGS & COMMUNICATION

Stepahnie emphasized that SVO meetings require advertisement/clearly established dates and times.

If officers cannot attend meetings in-person, participation via Zoom is acceptable.

Official SVO meetings will be held every Monday of the month at 3:00 PM.

OFFICER EXPECTATIONS & ACCOUNTABILITY

All officers are expected to assist with SVO and campus events, including the Summit, while also prioritizing academic responsibilities.

The Summit event requires full participation and SVO attire.

Officers unable to commit to their responsibilities, attend meetings, or assist with events are expected to step down to allow others to serve.

Regina encouraged officers to maintain personal notes to ensure information is not forgotten.

SUMMIT EVENT PLANNING

SVO support is required for summit event setup and execution.

Participation from all available officers is necessary for successful event coordination.
