Veterans First Program Emergency Relief Fund 2024-2025

The Veterans First Relief Fund is intended to provide immediate financial assistance to veteran students attending Las Positas College involved in an unexpected situation. The purpose of the program is to assist students who are temporarily in need so that their continued academic progress is not adversely affected by the challenge/need. All awards are contingent upon the availability of funds, provided through a generous donation from various community organizations.

Veterans First Relief Fund Eligibility Requirements

- Applicants must have a temporary need resulting from an unexpected event and must be able to provide sufficient documentation indicating that the situation meets this requirement.
- Applicants must be currently enrolled in at least 6 units at a Las Positas College.
- Other possible resources (such as insurance, financial aid or funding from other service organizations) must have been considered and have been found to be unavailable or insufficient. Please show evidence or address in questions, if applicable.
- Because this is not, nor is it intended to be, ongoing support, a plan should be included in application that demonstrates that the student will be able to move successfully forward following an award.
- Exceptions to these guidelines will be considered on a case by case scenario.
- A Work in Progress is needed for that semester using these funds.

Typical unexpected-situation expenses that may be covered include but are not limited to:

- Travel costs related to sudden death or illness in the immediate family.
- Safety related needs (i.e. changing a lock on a vehicle or home).
- Replacement of personal belongings due to fire, natural disaster or theft (not covered by insurance or other agency).
- Costs related to medical care (not covered by insurance or other agency).
- Class, lab related expenses.

Types of Expenses not Covered

- Health insurance, study abroad costs.
- Non-essential utilities, entertainment, recreation, or other non-essential expenses.
- Debt, fines or restitution owed from criminal or civil court cases.
